

Resolution approving a pay adjustment for the position of Airport Maintenance Person/Mechanic in the table of positions and classifications for the La Crosse Airport.

RESOLUTION

WHEREAS, the La Crosse Regional Airport organizational table provides for an Airport Maintenance Person/Mechanic, and

WHEREAS, the position was created in 2012 to provide both mechanical and maintenance work, and

WHEREAS the original pay rate was established based on equal parts mechanical and maintenance work, and

WHEREAS, the City agreed to review the position following one year to determine the percentage of mechanic duties and maintenance duties, and

BE IT FURTHER RESOLVED that the Director of Finance, Director of Human Resources and the Airport Manager are hereby authorized and directed to take all necessary steps to implement this resolution.
