ESTABLISHING

AMENDING

VACATING

TYPE OF ALTERATION: No Parking

GENERAL LOCATION: North side of 900 block Rublee St, from the east line of Liberty St,
eastward to the west line of the alley.

Report:

A request and application were received from La Cro Products, at 1648 Liberty Street, to install a No Parking zone on the north side of the 900 block of Rublee Street, across from its business.

Upon observing the site, it is noted that the property fronting the area requested is not owned by the applicant. La Cro Products requests the No Parking zone to aid in the maneuvering of trucks utilizing the docks on the south side of Rublee. Correspondence has been received by the owner across the street, objecting to the request so that the space in question can be used for on-street parking at that property.

WHEREAS, Section 44-39 of the City of La Crosse Municipal Code of Ordinances provides that after obtaining a report and recommendation of the Traffic Engineer, the Chief of Police shall forward recommendations and appropriate orders to the Board of Public Works.

AND WHEREAS, the Findings of the Traffic Engineer state the public interest, convenience, and necessity, the Chief of Police hereby Orders the above traffic alterations, to wit:

- Establish a No Parking zone in the 900 block of Rublee, as detailed above.

NOW, THEREFORE, the Board of Public Works hereby approves the aforementioned traffic alteration, and City staff is hereby authorized to effect said changes.
