To All Parties Concerned:

The Washburn Neighborhood Association is excited to support the efforts of Habitat for Humanity.

The anticipated involvement in bringing back our neighborhood gardens is building excitement.

With the two new Habitat houses and families, we are building a stronger neighborhood.

And the addition of a Renew the Block program for the surrounding area means we help improve the lives of others in our neighborhood.

Thank you for considering this effort.

Bob McDonnell, Chair
Dee McDonnell, Co-Chair
Becky Deetz, Treasurer
Chris Woodard, Member at Large
Jo Ann Neve, Secretary
