To Whom It May Concern,

I am submitting this application for a Special Event Outdoor Cabaret License. I am including my application for a \$1,000,000 aggregate coverage insurance policy naming the City of La Crosse as an additional insured on this policy but at the date of this application I have not yet paid for or secured the policy. I anticipate receiving the insurance policy from my carrier West Salem Insurance agency in the next 48 hours and then will forward the policy immediately.

I have also included a copy of the declarations page of my personal umbrella liability policy of \$1,000,000 if that can serve any purpose in this license application.

Thank you for your consideration.

Jim Allen
