Hello La Crosse City Officials,

As a taxpayer and lifelong resident of La Crosse, I urge you to please end camping in our treasured marsh lands.

I may live closer to our homeless brothers and sisters than any other La Crosse citizen, as a resident of The Landings condominiums with a riverside view.

Today was the last day I will attempt to walk on the city's paved trails around our marsh. I was sworn at and verbally threatened by a couple in the middle of a domestic dispute.

This is beyond merely a "public nuisance."

The garbage is overflowing.

Tents are ON the paved trail, as well as in the woods of the marsh.

I plan to attend the Public Works Committee Meeting on Monday, April 8, at 10 a.m., and I will anticipate the measures that are being taken to protect my property rights as a citizen and taxpayer of our community.

My health and safety as well as the preservation of our natural resources are at stake. Time is running out!

Sincerely yours,
Kim E. Hoffman
