RE: BPW Agenda Item # 18-1271 2019 Large Item Collection Proposal

Dear Mayor Kabat,

After reading the minutes from the Board of Public Works meeting on September 17th, 2018 and reviewing the attachments for the upcoming meeting on September 24th, 2018, we are concerned about the bid process with this contract. Our business is located in La Crosse and it did not get the opportunity to provide a proposal for the "Large Item Collection" contract.

Specifically:

- Do public bidding laws in Wisconsin apply to this type of work?
- Was a public notice advertised in the La Crosse Tribune for this work?
- Which other refuse collection businesses were asked to provide proposals?

Thank you for your time looking into this matter. Upon review of the proposal attached to the BPW agenda, we are confident that Midwest Roll-Off, Inc can provide high quality service on the "Large Item Collection" contract and we also believe that we could reduce the proposed price. We would like the opportunity to give you a price on the 2019 Large Item Collection.

Sincerely,
Jeff and Theresa Weibel, owners
