Dear Council Members,

My husband and I live on Cliffwood Lane. WE do not want sidewalks on our street. Our yards are small enough as it is without a sidewalk that will bring people and animals close to our home. We also live on the corner so we would now be responsible for a large part of sidewalk to shovel.

Why do you listen to 3 or 4 people and not the majority? We like our neighborhood just the way it is. The city should do a poll of the people of La Crosse and ask do you want sidewalks. I know the majority will say NO.

Thank you

Marilyn and Todd Wilder
