ARTICLE I**PURPOSE; LAND; DEFINITIONS; EXHIBITS**

1.1. Land Affected. The parties acknowledge that the Project will encompass and/or affect the following real property, all of which shall be within the boundaries of TID #6:

The Real Estate (Exhibit A) and certain public streets and rights-of-way serving the same.

1.2. Purpose of the Agreement. In order to cause the Project to occur and to induce Developer to undertake the Project, to promote community development, industry and job creation and to expand and enhance the tax base and stimulate retail sales and consumer activity in the historic downtown within the City, the City intends to undertake certain project costs and public improvements, if any, necessary for the Project, all as set forth in this Agreement. The City intends to recover its costs through payments received under this Agreement including

increased tax revenues generated by the Real Estate. The parties intend to enter into this Agreement to record the understandings and undertakings of the parties and to provide a framework within which the Project may proceed. Developer and the City plan to work together to undertake the Project on the Real Estate all as more fully described herein.

1.3. Certain Definitions. In addition to the words and phrases elsewhere defined in this Agreement, the following words and phrases, when having an initial capital letter, shall have the following meanings:

- a. "Agreement" means this Doerflinger's Second Century, Inc. Development Agreement by and between the City and the Developer, as amended and supplemented from time to time.
- b. "City" means the City of La Crosse, Wisconsin, a Wisconsin municipal corporation.
- c. "Construction Schedule" means the construction timetable set forth on Exhibit F.
- d. "Contribution" means the contribution or cash grant that is made through this Agreement to incent Developer to undertake the development and assist the Project and for which the Monetary Obligation is incurred.
- e. "Developer" means Doerflinger's Second Century, Inc., a Wisconsin corporation.
- f. INTENTIONALLY OMITTED
- g. "Monetary Obligation" means a limited and conditional monetary obligation of the Tax Increment generated from the Project in a maximum aggregate amount of ninety-eight thousand eight hundred ten dollars (\$98,810.00), that is incurred, in one or more installments, and that is payable over the time not to exceed the duration of the TID #6; more specifically:
 - (1) Calculation. Effective April 1, 2016, the City shall be obligated to pay a Contribution calculated as ninety-eight thousand eight hundred ten dollars (\$98,810.00) to Developer in accordance with the terms of this Agreement, including, without limitation Section 1.3(g)(8).
 - (2) Disbursement Date. After determining compliance with this Agreement, the City shall make its Contribution of the Monetary Obligation on or before September 1, 2017.
 - (3) Conditions. The City's obligation to make Contributions on the Monetary Obligations is conditioned on:
 - (a) The determination by the City Assessor of compliance with the tax guarantee in Section 2.6(b) of this Agreement;
 - (b) The timely payment of taxes when due by Developer;
 - (c) Substantial Completion of the Project in accordance with the Project Cost Breakdown and Construction Schedule;
 - (d) Submission by Developer of verifiable costs, invoices, lien

waivers, proof of financing costs and any other supporting documentation as requested by the Finance Director and Economic Development Commission. Said submissions shall be in form and content acceptable to the Finance Director and Economic Development Commission and demonstrate Substantial Completion and payments for costs for which reimbursement is being requested in accordance with Section 3.1 and the other provisions of this Agreement;

- (e) Continued compliance with the provisions of this Agreement by Developer and any other agreement between the Developer and City or Redevelopment Authority of the City of La Crosse, including, without limitation, a ninety-four thousand dollar (\$94,000.00) loan from the Redevelopment Authority to Developer as documented in a promissory note and secured by personal guarantee; and
 - (f) The use of Contribution for eligible project costs under the Tax Incremental Law.
- (4) Example Exhibit. An example of the Monetary Obligation is attached as Exhibit G.
 - (5) Not General Obligation. For purposes of the Tax Increment Law, this Agreement is an evidence of indebtedness; that is, it fully evidences the City's obligation to pay the Monetary Obligation. No negotiable instrument is being prepared to separately evidence the Monetary Obligation. The Monetary Obligation shall not, however, be included in the computation of the City's constitutional debt limitation, because the Monetary Obligation is limited and conditional, and no taxes have been or will be levied for its payment or pledged to its payment. Nothing in this Agreement shall be deemed to change the nature of the City's obligation from a limited and conditional obligation to a general obligation. No Tax Increments are pledged to the payment of the Monetary Obligation. In the event of an interpretation of this Agreement that would require the City's obligation to change from a limited and conditional obligation to that of a general obligation, then the City's Contribution and/or Monetary Obligation shall be subject to annual appropriation by the City Council.
 - (6) No Acceleration. Notwithstanding any other provision of this Agreement, Developer has no right to accelerate the payment of the Monetary Obligation. The only remedy of Developer in the event of nonpayment shall be legal proceedings to collect the amount of the Monetary Obligation that is due and payable. Developer may only institute legal proceedings after filing a claim with the City and complying with any other applicable provisions of this Agreement.
 - (7) Limitations. The City has no obligation to make payments of the Monetary Obligation in excess of the amount of the Tax Increments that have been collected, and allocated from the Project in TID #6 under the Tax Increment Law and the provisions of this Agreement. The City has

no obligation to make payments of the Monetary Obligation if this Agreement terminates. In the event Developer fails to comply with any provision of this Agreement, the City may withhold any Contribution that is due and payable and may further seek the recovery of any Contribution that has already been paid or disbursed, which shall become immediately due and payable.

- (8) Administration. The parties acknowledge and agree that the City incurs continuing administrative and professional service costs under this Agreement. Notwithstanding any provision of this Agreement, the City shall retain fifteen percent (15%) of any Contribution to be made to Developer as calculated herein to offset said costs.
- h. "Plans and Specifications" means the plans and specifications developed for the Project.
- i. "Project" means the development and improvement of the Real Estate by the constructing, refurbishing, renovating and developing the Doerflinger building as indicated and described in more detail on Exhibit B. Subject to the terms and conditions of this Agreement, uses for the Project shall be determined by zoning. The term, "Project" excludes personal property.
- j. "Project Cost Breakdown" means the minimum construction costs of the Project and consists of the cost breakdown of construction and non-construction cost items (i.e., a line-item budget), clearly identifying development, construction, financing, contingency and all other direct and indirect costs of construction of the Project, all as described in more detail on Exhibit E.
- k. "Public Improvements" means the public infrastructure improvements, if any, to be constructed by the City in connection with the Project set forth on Exhibit D.
- l. "Real Estate" means the real property described in Exhibit A.
- m. "Signature Date" has the same meaning as provided in Section 8.22 of this Agreement.
- n. "Substantial Completion" means the completion of the improvements to the Real Estate pursuant to the Plans and Specifications, (except for punch list items, exterior painting, and landscaping) and the issuance by the Project architect of a certificate of substantial completion and the issuance of a certificate of occupancy from the City. Subject to unavoidable delays beyond the control of the Developer, any such incomplete items shall be fully completed within a reasonable time after the date of Substantial Completion, but not to exceed ninety (90) days thereafter except site improvements such as landscaping shall be completed no later than two hundred forty (240) days after the date of Substantial Completion if weather or other conditions beyond the control of Developer prevent completion of the same.
- o. "Tax Increment" means the tax increment received by the City with respect to the Real Estate which is generated by TID #6.
- p. "Tax Incremental Law" means Section 66.1105, Wis. Stats., as amended and superseded.
- q. "TID #6" means the Tax Incremental Financing District Number 6 of the City of La Crosse.

- r. "TID Project Plan" means the plan, created in accordance with the Tax Incremental Law, for the financial development or redevelopment of TID #6, including all approved amendments thereto.

ARTICLE II

DEVELOPER OBLIGATIONS

2.1. INTENTIONALLY OMITTED.

2.2 Develop the Real Estate. Developer agrees to develop and improve the Real Estate by undertaking the Project, all in accordance with this Agreement, the Project Cost Breakdown and the Construction Schedule.

- a. **Site Preparation.** Developer shall prepare the Real Estate for construction of the Project, including, without limitation, any necessary demolition or other removal of improvements or preparation currently located on the Real Estate.
- b. **Construction Schedule.** Developer shall commence or cause other entities to commence construction on the Project, as described in **Exhibit B**, on or before April 1, 2016 with Substantial Completion on or before December 31, 2016, all in accordance with the Construction Schedule set forth on **Exhibit F**.
- c. **Guaranty of Minimum Construction Costs.** Developer agrees that the building and improvements associated with the Project shall have an aggregate minimum construction cost of not less than three hundred eighty-five thousand dollars (\$385,000.00). The Project Cost Breakdown is provided on **Exhibit E**.
- d. **Rights of Access.** Developer shall permit the representatives of the City to have access to the Project at all reasonable times during and following the construction when the City deems access necessary to ensure compliance with the terms and conditions of this

Agreement including, but not limited to, access for inspection of all work being performed in connection with the Project. No compensation shall be payable nor shall any charge be made in any form by any party for the access provided in this Agreement.

2.3. Local Subcontractors. It is agreed by Developer that Developer shall engage local subcontractors, workers as well as local suppliers for material. The term subcontractor is as defined in Section 66.0901(1)(d), Wis. Stat. The word, "local," shall mean that the subcontractors and suppliers of material have their principal place of business within the City of La Crosse or within a seventy-five (75) mile radius of the City of La Crosse, Wisconsin. The Developer further agrees to provide to the City Engineer a list of all subcontractors and it further agrees that eighty percent (80%) of all work performed by subcontractors for construction shall be performed by subcontractors located within the City or seventy-five (75) miles of the City of La Crosse. In determining whether the eighty percent (80%) threshold has been met, the parties shall measure based upon the dollar values of said work. If Developer does not meet this requirement, it may request a waiver from the City Engineer providing reasons for the request of the same. This Section does not apply to fixtures, furnishings and equipment.

2.4. Compliance with Planning and Zoning; Use. Developer, at its own expense, shall obtain all approvals, permits and licenses as may be required by any governmental or non-governmental entity in connection with the Project. Any conditions imposed on Developer to obtain any approval, permit or license must be acceptable to the City. Developer will not initiate, approve, consent to or participate in any change or modification of the zoning in effect for the Real Estate or any portion thereof, without the City's prior written consent. No property within the Real Estate shall be used for any use other than as set forth in this Agreement and as approved by the City, including any conditions attendant with such approval, unless such use is further approved by the City under its normal zoning, review and approval procedures.

2.5. Maintenance and Repair. Developer agrees that at all times after construction of the Project, it will keep and maintain the Real Estate and the Project in good condition and repair.

2.6. Taxes. It is understood that the land, improvements and personal property resulting from the Project shall be subject to property taxes. Developer shall pay when due all federal, state and local taxes in connection with the Real Estate and all operating expenses in connection with the Real Estate and Project.

- a. **Annual PILOT.** In the event that some or all of the Real Estate or personal property is or becomes exempt from general property taxes under Chapter 70, Wis. Stat., as amended or superseded, or by any other statute, provision or reason, then Developer shall make an annual payment to the City in lieu of taxes ("Annual PILOT") for the services, improvements or facilities furnished to the Real Estate by the City and other taxing jurisdictions. The amount of the Annual PILOT shall be computed and determined by the City Assessor by multiplying the fair market value (using tax assessment definitions, rules and procedures) of the tax exempt portion of such property by the total tax rate of all taxing jurisdictions as shown on tax bills issued to taxpayers in the City. Developer or the then current owner of the tax exempt property, its successors or assigns shall pay the Annual PILOT within sixty (60) days of receipt. Developer shall have the right to appeal the determination of the City Assessor to the City Council. Any appeal shall specifically state the reasons, in writing, why the amount due as provided by the City Assessor is in error. The parties agree that the Annual PILOT shall survive for a period of twenty (20) years or the life of the TID #6, whichever is longer. Notwithstanding, the Developer or its successors shall not be responsible for any Annual PILOT resulting from the Real Estate or a portion thereof becoming tax exempt due to the use of eminent domain by the United States or some other governmental entity.

- b. **Guarantee.** As an additional inducement and in consideration for the City entering into this Agreement, Developer guarantees faithful performance and compliance with all the terms, covenants, conditions and obligations to be kept and performed by Developer contained in this Agreement, including, without limitation, the obligation that the Project shall have an assessed value of not less than one million eight hundred seventy thousand dollars (\$1,870,000.00) beginning in tax year 2017 and for a period of twenty (20) years or the life of TID #6, whichever is longer. Developer agrees that this minimum assessed value on the Project shall remain a lien on the Real Estate and shall run with the land for a period of twenty (20) years or the life of TID #6, whichever is longer.
- c. **Deficiency PILOT.** In the event the assessed value of the Project is less than one million eight hundred seventy thousand dollars (\$1,870,000.00) as of January 1, 2017 or for any tax year thereafter for a period of twenty (20) years or the life of TID #6, whichever is longer, then the Developer or the then current owner, or its successors or assigns agrees to pay a Deficiency PILOT to the City within sixty (60) days of receipt. Said Deficiency PILOT shall be calculated by first determining the difference between the guaranteed assessed value of the Project as provided in Section 2.6(b) of this Agreement less the actual assessed value of the Project for the tax year at issue, and multiplying said difference by the total tax rate of all taxing jurisdictions as shown on tax bills issued to taxpayers in the City. This requirement shall be a lien running with the land for a period of twenty (20) years or the life of TID #6, whichever is longer.
- d. **Special Charge.** In the event there is a lack of compliance for payment of the Annual PILOT or Deficiency PILOT, then the City, in addition to any other remedy available at law or in equity, may levy a special charge or assessment under Section 66.0627, Wis. Stat., prior to any first mortgage lien on the property for the delinquent amount as calculated herein to enable the City to enforce performance of the Developer's obligations. The owners of the Real Estate and their successors and assigns further agree that they waive any objection to the City making said special charge or assessment; however, they still retain their right to object to the accuracy and amount of the special charge or assessment.

2.7. Transfer or Sale of Real Estate.

- a. **Notice of Intent to Transfer.** No property within the Real Estate may be sold, transferred, or otherwise conveyed unless the Developer first provides to the City written notice of intent to transfer the property at least forty-five (45) days before the sale, transfer or conveyance is to occur. This Section shall not apply to nor restrict a transfer to Developer's financing entity, e.g. placing a mortgage on the Real Estate.
- b. **No Transfer to Exempt Entities.** No property within the Real Estate may be sold, transferred or conveyed to, or leased or owned by any entity or used in any manner which would render any part of the Real Estate exempt from property taxation, unless the purchaser, transferee, lessee or owner first executes a written agreement satisfactory to the City Attorney and Economic Development Commission providing for payments in lieu of taxes to the City.
- c. **Assignees and Transferees Bound by Agreement.** Any assignee or purchaser or transferee of any portion of the Real Estate shall be bound by the terms and conditions of this Agreement, which shall run with the land and be binding upon all such assignees, purchasers and transferees. The Developer shall not sell or transfer any portion of the Real Estate to any entity unless and until the Developer has provided the City with written

evidence satisfactory to the City Attorney that such assignee or entity has agreed in writing to be bound by the terms of this Agreement. Any such sale, transfer or conveyance of any portions of the Real Estate shall not relieve the Developer of its obligations hereunder.

- d. **Subdivision.** Property within the Real Estate shall not be further subdivided without approval of the City.

2.8. Easements. Developer shall grant the City or any public utility such easements as reasonably necessary for public improvements, infrastructure, ingress or egress, utilities, lighting or landscaping or any other need necessary to effectuate development of the Real Estate in accordance with this Agreement at no cost to the City.

2.9. Insurance. For a period of twenty (20) years or the life of TID #6, whichever is longer, Developer shall maintain, and shall require that any purchasers or transferees of any portion of the Real Estate maintain, insurance in such amounts and against such risks both generally and specifically with respect to the Real Estate, as are customarily insured against in developments of like size, kind and character, including customary builders risk insurance during construction and customary casualty, property and liability insurance, with deductibles in accordance with reasonable industry practice. Notwithstanding, Developer shall carry casualty insurance for the Project at not less than the replacement value and further agrees and covenants to apply, and to require any purchasers or transferees of any portion of the Real Estate to apply, any and all insurance proceeds to rebuild the Project, maintain the Project and Real Estate and to name the City as an additional insured to the extent of this covenant provided in this Section. Developer shall provide to the City certificates of all such insurance.

2.10. Indemnity. Developer shall indemnify and hold harmless the City, its officers, employees and authorized representatives, ("Indemnified Party"), from and against any and all liabilities, including, without limitation, remediation required by any federal or state agency having jurisdiction, losses, damages, costs, and expenses, including reasonable attorney fees and costs, arising out of any third-party claims, causes of action, or demands made against or suffered by the Indemnified Party on account of this Agreement, unless such claims, causes of action, or demands: (a) relate to the Indemnified Party failing to perform its obligations to Developer; or (b) arise out of any willful misconduct of the Indemnified Party. At the Indemnified Party's request, Developer shall appear for and defend the Indemnified Party, at Developer's expense, in any action or proceeding to which the Indemnified Party may be made a party by reason of any of the foregoing.

2.11. Utilities.

- a. **Other Utilities.** Developer shall be responsible for, pay for and cause electrical power, telephone facilities, cable TV lines, and natural gas facilities to be installed in such a manner as to make proper and adequate service available to each building in the Agreement. Plans indicating the proposed location of each such utility to service the Project shall be shown on the construction plans to be provided to the City Plan Commission for approval prior to the installation of the utility.
- b. **Water and Sewer.** Developer shall be solely responsible for and shall pay all costs of connecting water and sewer service from the public streets, alley, right of way, or other approved infrastructure to the buildings within the Real Estate.

2.12. Restrictions. Developer agrees to neither use nor allow a third-party to use the Real Estate for adult entertainment, pawnshops, mini-warehouses, car title loan business, payday lenders, tattoo parlors, and/or off-premise signs for a period of twenty (20) years or the life of TID #6, whichever is longer. Payday lenders and car title loan businesses shall exclude banks and credit unions.

2.13. Record Retention. Developer understands and acknowledges that the City is subject to the Public Records Law of the State of Wisconsin. As such, Developer agrees to retain all records as defined by Wisconsin Statute § 19.32(2) applicable to this Agreement for a period of not less than seven (7) years. Likewise, Developer agrees to assist the City in complying with any public records request that it receives pertaining to this Agreement. Additionally, Developer agrees to indemnify and hold the City, its officers, employees and authorized representatives harmless for any liability, including without limitation, reasonable attorney fees relating to or in any way arising from Developer's actions or omissions which contribute to the Indemnified Party's inability to comply with the Public Records Law. In the event Developer decides not to retain its records for a period of seven (7) years, then it shall provide written notice to the City whereupon the City shall take custody of said records assuming such records are not already maintained by the City. This provision shall survive termination of this Agreement.

2.14. Repair and/or Replacement of Infrastructure. Developer shall repair and/or replace any damaged City infrastructure or other City property that may occur as a result of the Project, including, without limitation, sidewalks, landscaping, asphalt and light poles. Said repair and/or replacement shall be to the satisfaction of the Board of Public Works.

ARTICLE III

CITY OBLIGATIONS

3.1. Project Assistance. Developer has requested and the City may be required to make Contributions to Developer up to an aggregate maximum ninety-eight thousand eight hundred ten dollars (\$98,810.00) as well as fund a loan in the amount of ninety-four thousand dollars (\$94,000.00), more specifically,

- a. **Cash Grant Based on Improvements.** Developer agrees to advance funds on behalf of the City for project costs, which the City shall reimburse through Contributions under the terms of this Agreement. The Developer has requested a cash grant from TID #6 of up to an aggregate amount of ninety-eight thousand eight hundred and ten dollars (\$98,810.00), subject to change based on the provisions of this Agreement. The City shall disburse its Contribution as required by its Monetary Obligation to Developer in accordance with this Agreement.
- b. **Loan.** The Developer has requested a loan from TID #6 of up to an aggregate amount of ninety-four thousand dollars (\$94,000.00). The City shall fund the loan for the Redevelopment Authority, who will, in turn, enter into a loan agreement with Developer through separate promissory note documentation.
- c. **Illustrative Example.** An illustrative example of the payment of cash grants is attached as Exhibit G.

3.2. Certificate of Completion. Upon completion of the improvements by the Developer and review of the improvements by the City, the City shall provide the Developer, upon request, with an appropriate recordable instrument certifying that the improvements have been made in accordance with this Agreement and the project plans for said area and any amendment or modifications thereto.

3.3. Assistance with Zoning Changes. If necessary, the City Planning Department shall initiate the process in accordance with the City's zoning code to attempt to provide appropriate zoning for the property being developed by Developer so that the zoning for the development is in accordance with the City's comprehensive plan for the area.

3.4. City Performance Subject to Required Government Approvals. The Developer acknowledges that various of the specific undertakings of the City described in this Article III may require approvals from the City Council (and other City bodies) and other public bodies, some of which approvals may require public hearings and other legal proceedings as conditions precedent thereto. The City's agreements under this Article III are conditioned upon the obtaining of all such approvals in the manner required by law. The City cannot assure that all such approvals will be obtained; however, it agrees to use good faith efforts to obtain them on a timely basis.

3.5. Subsequent Phases. Any subsequent development of the Real Estate will be addressed in a separate development agreement.

ARTICLE IV

CONDITIONS PRECEDENT TO CITY OBLIGATIONS

The City's obligations under this Agreement are conditioned upon the provisions contained herein. 6.2. Taxes. Developer has paid, and shall pay when due, all federal, state and local taxes, and shall promptly prepare and file returns for accrued taxes. If necessary, Developer shall pay when due all payments in lieu of taxes and special charges required under the terms of this Agreement.

6.3. Compliance with Zoning. Developer covenants that the Real Estate, upon completion of the Project, will conform and comply in all respects with applicable federal, state, local and other laws, rules, regulations and ordinance, including, without limitation, zoning and land division laws, building codes and environmental laws.

6.4. Payment. All work performed and/or materials furnished for the Project, other than the Public Improvements, shall be fully paid for by Developer.

6.5. Certification of Facts. No statement of fact by Developer contained in this Agreement and no statement of fact furnished or to be furnished by Developer to the City pursuant to this Agreement contains or will contain any untrue statement of a material fact or omits or will omit to state a material fact necessary in order to make the statements herein or therein contained not misleading.

6.6. Good Standing. Developer is a corporation duly formed and validly existing and in good standing under the laws of the State of Wisconsin and has the power and all necessary licenses, permits and franchises to own its assets and properties and to carry on its business. Developer is duly licensed or qualified to do business and in good standing in the State of Wisconsin and all other jurisdictions in which failure to do so would have a material adverse effect on its business or financial condition.

6.7. Due Authorization. The execution, delivery and performance of this Agreement and all other agreements requested to be executed and delivered by Developer hereunder have been duly authorized by all necessary corporate action of Developer and constitute valid and binding obligations of Developer, in accordance with their terms, subject only to applicable bankruptcy, insolvency, reorganization, moratorium, general principles of equity, and other similar laws of general application affecting the enforceability of creditors' rights generally. 6.8. No Conflict. The execution, delivery, and performance of Developer's obligations pursuant to this Agreement will not violate or conflict with Developer's Articles of Organization or Operating Agreement or any indenture, instrument or material agreement by which Developer is bound, nor will the execution, delivery, or performance of Developer's obligations pursuant to this Agreement violate or conflict with any law applicable to Developer.

6.9. No Litigation. There is no litigation or proceeding pending or threatened against or affecting Developer or the Project or any guarantor that would adversely affect the Project, Developer or any guarantor or the priority or enforceability of this Agreement, the ability of Developer to complete the Project or the ability of Developer to perform its obligations under this Agreement.

6.10. Certification of Costs. Developer covenants the Project Cost Breakdown accurately reflects all costs of the Project (other than costs associated with the Public Improvements, if any) that will be incurred by Developer in the completion and construction of the Project, and the City shall be entitled to rely on the Project Cost Breakdown submitted by Developer. Developer knows of no circumstances presently existing or reasonably likely to occur which would or could result in a material adverse variation or deviation from the Project Cost Breakdown.

6.11. No Default. No default, or event which with the giving of notice or lapse of time or both would be a default, exists under this Agreement, and Developer is not in default (beyond any applicable period of grace) of any of its obligations under any other material agreement or instrument to which Developer is a party or an obligor.

The principals, shareholders, members, managers and/or partners of Developer, its successors, assigns and transferees will not transfer, assign, convey or encumber their respective interests in Developer, its successors, assigns or transferees, as the case may be, if such anticipated transfer, assignment, conveyance or encumbrance would result in the original members of the Developer having less than majority voting control of the Developer, without providing written notification thereof to the City at least forty-five (45) days prior to the date the proposed transfer, assignment, conveyance or encumbrance is to take effect. Any attempt to so act shall be void and have no effect.
- b. **No Subordination.** The City shall not subordinate any interest it has in this Agreement for any reason, unless it is determined to be in the best interests of the City. Any requests for subordination shall be submitted, in writing, explaining why the request is in the best interests of the City. Said request shall be received by the City not less than forty-five (45) days prior to any City Council action on said request. Said subordination may only be approved by the City Council respectively.

Lender's mortgage and/or loan may be transferred or assigned by lender in a secondary market without prior City Council approval. In the event of a foreclosure against Developer by lender or a deed transfer in lieu of foreclosure, lender shall assume the duties, obligations and rights of Developer under this Agreement. In such a circumstance, lender may transfer or assign this Agreement and its accompanying duties, obligations and rights, to another developer without prior City Council approval. City assumes no obligation to Developer for the sufficiency or adequacy of such inspections, it being acknowledged that such inspections are made for the sole and separate benefit of City. The fact that City may make such inspections shall in no way relieve Developer from its duty to independently ascertain that the construction of the Project and Developer's compliance with this Agreement is being completed in accordance with the terms and conditions of this Agreement.

6.18. Notification. Developer shall:

- a. As soon as possible and in any event within five (5) business days after the occurrence of any default, notify City in writing of such default and set forth the details thereof and the action which is being taken or proposed to be taken by Developer with respect thereto.
- b. Promptly notify City of the commencement of any litigation or administrative proceeding that would cause any representation and warranty of Developer contained in this Agreement to be untrue.
- c. Notify City and provide copies, immediately upon receipt, of any notice, pleading, citation, indictment, complaint, order or decree from any federal, state or local government agency or regulatory body, asserting or alleging a circumstance or condition that requires or may require a financial contribution by Developer or any guarantor or an investigation, clean-up, removal, remedial action or other response by or on the part of Developer or any guarantor under any environmental laws, rules, regulations or ordinances or which seeks damages or civil, criminal or punitive penalties from or against Developer or any guarantor for an alleged violation of any environmental laws, rules, regulations or ordinances.

6.19. Unrelated Activity. It is the intention of Developer and City that the sole business of Developer shall be the construction, ownership and operation of the Project, and Developer shall take no action inconsistent with such intention, including without limitation the acquisition by Developer of real or personal property unrelated to the Project, investment by Developer in the assets or stock of any other person, joining by Developer with any other person in any partnership or joint venture, or the creation or incurring of indebtedness by Developer unrelated to the Project.

6.20. No Indebtedness. Except in the ordinary course of business and except for funds borrowed to provide the financing for the purchase of the Real Estate or the construction of the Project, Developer shall not incur, create, assume, permit to exist, guarantee, endorse or otherwise become directly or indirectly or contingently responsible or liable for any indebtedness. "Indebtedness" shall mean any liability or obligation of Developer: (a) for borrowed money or for the deferred purchase price of property or services (excluding trade obligations incurred in the ordinary course of business); (b) as lessee under leases that have been or should be capitalized according to generally accepted accounting principles; (c) evidenced by notes, bonds, debentures or similar obligations; (d) under any guaranty or endorsement (other than in connection with the deposit and collection of checks in the ordinary course of business), and other contingent obligations to purchase, provide funds for payment, supply funds to invest in any entity, or otherwise assure a creditor against loss; or (e) secured by any security interest or lien on assets of Developer, whether or not the obligations secured have been assumed by Developer.

6.21. Correction of Defects. Developer shall, upon demand of City (and City may rely on the advice of its inspector and shall not be liable for any errors in such advice), correct any material defect, structural or otherwise, in the Project.

6.22. Not for Speculation. In addition, and without limitation, the City shall have the following specific rights and remedies:

The owners of the Real Estate and their successors and assigns further agree that they waive any objection to the City making said special charge or assessment; however, they still retain their right to object to the accuracy of the amount of the special charge or assessment; and
- b. Reimbursement.** Any amounts expended by the City in enforcing this Agreement and the obligations of Developer hereunder, including reasonable attorneys' fees, and any amounts expended by the City in curing a default on behalf of Developer, together with interest at one and one-half percent (1.5%) per month, shall be paid by Developer to the City upon demand and shall constitute a lien against the Real Estate until such amounts are reimbursed or paid to the City, with such lien to be in the nature of a mortgage and enforceable pursuant to the procedures for foreclosure of a mortgage.
- c. Remedies are Cumulative.** All remedies provided herein shall be cumulative and the exercise of one remedy shall not preclude the use of any other or all of said remedies.
- d. Failure to Enforce Not a Waiver.** Failure of the City to enforce any provision contained herein shall not be deemed a waiver of the City's rights to enforce such provision or any other provision in the event of a subsequent default.

7.2 City's Default.

- a. **Remedies.** In the event of the City's default hereunder which is not cured within sixty (60) days after written notice thereof to the City, Developer shall have all rights and remedies available under law or equity with respect to said default. - (1) Injunctive relief;
 - (2) Action for specific performance; and
 - (3) Action for money damages.
- b. **Remedies are Cumulative.** All remedies provided herein shall be cumulative and the exercise of one remedy shall not preclude the use of any other or all of said remedies.
- c. **Failure to Enforce Not a Waiver.** Failure of Developer to enforce any provision contained herein shall not be deemed a waiver of Developer's rights to enforce such provision or any other provision in the event of a subsequent default.

7.3 Mediation of Disputes Required. Unless the parties agree otherwise, prior to litigation and as a condition precedent to bringing litigation, any party deeming itself aggrieved under this Agreement shall be obligated to request nonbinding mediation of the dispute. Mediation shall proceed before a single mediator. The parties shall split the costs of mediation equally. In the event of impasse at mediation, the aggrieved party may then commence an action. However, the parties shall be bound to agree to alternative dispute resolution as ordered by the Court.

EXHIBIT G

Monetary Obligation

Scenario 1:

On January 1, 2016, the land was assessed at \$247,500. The building and improvements on the land were assessed at \$1,570,000. The total assessed value of the land and improvements was \$1,870,000. In 2016, developer completes construction of improvements. On January 1, 2017, the land is assessed at \$247,500. The building and improvements are assessed at \$1,900,000. The developer is in compliance with all other terms and conditions of its agreements with the City.

Conclusion 1:

In scenario 1, the developer has complied with the tax base guarantee of the development agreement. There are no defaults of any other term or condition of its development agreement or any other agreements with the City. Accordingly, the developer is entitled to receive the lump sum cash grant of \$98,810 less administrative costs in accordance with the development agreement on September 1, 2017.

<u>Improvements</u>	<u>\$1,570,000</u>	\$1,870,000	<u>\$1,900,000</u>

Contribution	\$98,810.00

Scenario 2:

On January 1, 2016, the land was assessed at \$247,500. The building and improvements on the land were assessed at \$1,570,000. The total assessed value of the land and improvements was \$1,870,000. In 2016, developer completes construction of some improvements. On January 1, 2017, the land is assessed at \$455,000. The building and improvements are assessed at \$1,700,000. The total assessed value of land and improvements on January 1, 2017 is \$2,155,000. The developer is in compliance with all other terms and conditions of its agreements with the City.

Conclusion 2:

In scenario 2, the developer has not complied with the tax base guarantee. Even though the land may have appreciated due to market conditions, the tax base guarantee from the development agreement applies only to the improvements (e.g. building) on the land. Since the improvements did not reach the amount promised in the tax guarantee, then the City would not issue any lump sum cash grant.
