Subject: Continued Legal Action Against Town of Campbell

Honorable Mayor and City Council Members,

It is quite disheartening that the City of La Crosse is spending money to appeal the State's decision on incorporation of the Town of Campbell. The City doesn't have the budget to keep the Northside library open, nor to open the Northside pool, and is constantly looking at cuts to other City services but somehow has the money for a protracted legal battle with a Town and its residents that don't want to be annexed. Save the money and let the Town do what it wants without interference from La Crosse.

Thank you
Cory Lynch
