Hello Mayor Kabat and City Council Members,

It has been brought to my attention that this Thursday you will be voting on lowering the fees below and I am writing you to thank you for your support and to also ask you all to please vote in favor of this fee reduction proposal. The restaurant & bar industry has been one of the industries that COVID-19 has hit the hardest. It could be several more months before things get back to normal for us and we can use all of the help we can get. We haven't even been able to really use our alcohol licenses for the past two months and we will only be allowed to have partial capacity/usage for the next few months. Thank you once again for your time, consideration, and support of the restaurant & bar industry and the proposed fee reductions. Have a great day!

Alcohol Beverage Operator's license fee:	<u>2017</u>	<u>\$50.00</u>
