OPENINGS for Holistic Hairstylists & Wellness Providers

Coming July 2019 to Historic La Crosse

With much gratitude, I will be opening a Green Holistic Centre' in La Crosse. Awakening the beauty industry through conscious holistic hairstylist & integrating holistic wellness.

I am in search of a Holistic Tribe of sole proprietorships, independent contractors, LLC's, interested in PART time, Full time, one day a WEEK or MONTH chair and room rental. If you have any unique mind, body, spirit offerings please reach out if you don't see on the list. Services that may be offered through the united tribe MAY include: organic/holistic hair color and services, head spa services, massage, aromatherapy, energy healing/chakra balancing, herbalist, nutritionist, acupuncture, psychic/medium, workshops, consulting, counseling, holistic nail care, holistic skin care and makeup, eco fashion consultant, color therapy, and all combined holistic beauty packages. I want to hold space for you makers out there, spreading love through your creations. If you make products aligned with the center, I would love for you to sell your products.

- A diverse group with a common desire to come together to share our story, our message, our gifts and bring more love, light, connections and joy to our world avoiding burn out
- Persons with authenticity to attract abundance and believe living our truth is the ticket to true happiness
- A tribe to encourage collaboration instead of comparison, and community instead of competition
- Entrepreneurs who run their businesses with integrity, devoted to a better world
- Persons who want to create community, embrace collaboration, communicate kindly, do their best, keep an open channel, always be authentic, who are courageous and resilient

Mission: Holistic Beauty and Wellness is a cooperative design looking for a vibrational Team of Holistic Hairstylist, Body workers, Healers, and Wellness practitioners offering healing services and products to support a well-being experience for mind, body, spirit, and hair. I honor internal and external holistic beauty as part of the organic

spectrum of self-care and self-love. Im searching for a synergistic team to help nurture ones healing journey and assist them with the best physical representation of what their spirit feels inside. This concept was rooted in a special belief and knowledge of a greater calling to serve our world. It has roots in a spiritual, emotional, mental, and physical realm which is waiting to be cultivated in a world of community, creativity, compassion, and consciousness. Tribe, it is time we spread healing through conscious hairstylists, redefine natural beauty, integrating a full spectrum for spirit & body services.

“All our dreams come true, if we have the courage to pursue them.” -Walt Disney

.....
