Good Morning,

I wanted to give my support for the new proposal regarding alternate side parking. It has never made sense that we ticket those for parking on the “wrong” side of the street when there is no snow or maintenance events. It especially hurts those in poverty, and prolongs financial suffering for our most vulnerable populations. Furthermore, many cities around our country have done away with alternate side parking. It only makes sense we follow their lead.

Thank you,  
Daniella Nelles, BSW
