

Resolution releasing funds in connection with site investigation and repair of Bliss Road slopes.

RESOLUTION

WHEREAS, Bliss Road has experienced additional mid-slope failures in the spring of 2015 in the area below that previously repaired in 2008 using the soil nails technique, and

WHEREAS, Westbrook Associated Engineers, Inc. performed the site investigation and design for the 2008 repairs of Bliss Road, and is therefore familiar with the site conditions, and

WHEREAS, Westbrook Associated Engineers, Inc. has provided a proposal for a site investigation and a report containing the recommended manner of the currently needed slope repairs, and

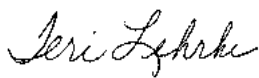

WHEREAS, the specific manner of performing the repairs must be determined before engineering plans and specifications can be prepared, and

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City of La Crosse that it hereby authorizes entering in to a contract with Westbrook Associated Engineers, Inc. in an amount not to exceed \$ 40,000.00 for the purpose of completing a site investigation and recommendations for repairs to the slopes below Bliss Road.

BE IT FURTHER RESOLVED that the sum of \$ 40,000.00 be appropriated from the Carryover Fund Bliss Road Maintenance account for said costs associated with this site investigation and report and any associated expenses.

BE IT FURTHER RESOLVED that the Director of Public Works, City Engineer and Finance Director are authorized to take any actions necessary to effectuate this resolution.

I, Teri Lehrke, certify that this resolution was duly and officially adopted by the Common Council of the City of La Crosse on October 8, 2015.

Teri Lehrke, City Clerk
City of La Crosse, Wisconsin
