Mayor Kabat ,Council Members and City Clerk, I hope you will support this important proposal! we as small business owners have never been through a situation like this before! We will be closed for at least for 2 months with many of us 0 income coming in! With this small gesture it will help in a small finical way, But will mean even more in physiologically knowing we are in this together and together we will see our economy grow back to normal! Subject: Reduction in

Hello Mayor Kabat and City Council Members,

It has been brought to my attention that this Thursday you will be voting on lowering the fees below and I am writing you to thank you for your support and to also ask you all to please vote in favor of this fee reduction proposal. The restaurant & bar industry has been one of the industries that COVID-19 has hit the hardest. It could be several more months before things get back to normal for us and we can use all of the help we can get. We haven't even been able to really use our alcohol licenses for the past two months and we will only be allowed to have partial capacity/usage for the next few months. Thank you once again for your time, consideration, and support of the restaurant & bar industry and the proposed fee reductions. Have a great day!
