Dear Council members, I would like to express my support of option 1 that adds bike lanes on 3rd & 4th streets. More alternative transportation and less car traffic improves the livability of our vibrant downtown, besides being better for the environment. Providing bike lanes will improve safety of biking downtown which I do often. It is a reason I choose to live in La Crosse and near downtown.
Thank you, Celine Donofrio , 527 14th St S, la Crosse, WI 54601
