Public Vehicle for Hire Licensee  
City of La Crosse

**RE: Public Vehicle for Hire License**

To Whom It May Concern:

The City is repealing and recreating Section 20.16 of the Code of Ordinances which relates to the licensing of public vehicles for hire. For your information, enclosed is a copy of the proposed ordinance and summary of changes.

Several of the proposed changes are a result of complaints and concerns, primarily relating to the condition of vehicles. In addition, I researched ordinances of other municipalities in Wisconsin and incorporated certain sections into this proposed ordinance.

This ordinance was introduced to the Common Council on September 12 and will be before the Council for action in October. We anticipate the changes to be in place before the renewal process.

If you have any questions, please do not hesitate to contact me by phone or email.

Sincerely,

Nikki M. Elsen, WCMC  
Deputy City Clerk
