Subject: RE: Letter J&A

Fenigor is building a new area for Lee Enterprises/La Crosse Tribune and the City of Lacrosse Parks & Rec. The City of Lacrosse will be quite simple. We are dividing area with one wall (nothing structural) and reworking some HVAC, painting, plumbing and flooring. The Lacrosse Tribune is a total renovation. In demolition, we removed 12 office spaces and redesigned and putting 11 rooms/offices back in (none are structural). All new HVAC, electrical, adding men's and women's bathroom, updating all fire systems, floors, etc. It will be awesome with doing modern with historical. We have already this spring replaced 19 windows on first floor. If you need further information or take tour let me know. Thanks
