Dear Members of the Common Council:

Due to an increasing need for accessible apartments for households with limited income, the Housing Authority purchased properties in 2015. These specific properties are at 711, 713 & 717 Division Street. The intent was that as funding became available the Housing Authority would proceed with the development of that area. Demolition of those specific properties occurred in 2015.

At the present time we are applying for a Conditional Use Permit so we can move forward with the construction of a fourplex building consisting of (4) one bedroom handicapped accessible living units.

The Housing Authority together with HSR Associates met with members of the Washburn Association during its September meeting. Conceptual design drawings were presented. A motion to support the development was favored by the Association.

I would ask the Common Council for consideration in approving our application for a Conditional Use Permit in helping us to do our part to revitalize our City.

Sincerely,

HOUSING AUTHORITY OF THE CITY OF LA CROSSE
