Hey City Council Team, I hope this message finds you in good spirits. I just wanted to give a shoutout to the Finance and Personnel Committee for their solid 4-2 vote in favor of the ARPA funding proposal. You've just given a big boost to the City of La Crosse Arts Board, and that's fantastic news for our local arts scene. This financial backing is like the spark that'll ignite the Arts Board's vision of making our city's art and culture even more awesome. It shows we're serious about supporting the arts.

By getting behind the City of La Crosse Arts Board with this ARPA funding, we're not just helping our local artists; we're also making our community stronger and more vibrant. Art has a unique superpower – it brings people together, lures in tourists, and generally makes life here even better. With the Finance and Personnel Committee giving it the nod, I'd like to encourage our amazing City Council Members to follow suit and officially give the green light to this proposal. It's all about recognizing the major, long-term perks it's going to bring to our city. Backing this initiative is like an investment in La Crosse's future and cultural flair. Massive thanks to each of you for your dedication and service to our community. If you have any questions or need more info, don't hesitate to drop me a line.

Cheers,

Dylan
