Good morning La Crosse City Council members,

I am writing to support Agenda Item #24-1323 to remove off-street parking requirements. Current parking requirements take up valuable space that could otherwise be used for more housing, which our community desperately needs. La Crosse needs to build 200-230 units each year to meet current demand. We can't do that without removing barriers like the current parking minimums.

As a resident, I support more housing to boost our local economy and make La Crosse a more welcoming place for more families. Thank you for considering this issue. Hope you're doing well, staying safe, and have a great holiday season.

Kelly Leibold
