Dear City Council,

PLEASE preserve the beautiful Bubblers in La Crosse and turn them back on! These are a treasure. I grew up on the Northside and used them all the time as a child and adult. We couldn't wait every year for them to be turned on! They really are special and make our city unique. It would be a shame to let them go. My 99-year-old mother still lives in my childhood home on the Northside and she is in total agreement with me.

Thank you!
Jo Lamprich
