Wonderful. There will time for public comments at the 4/2/25 Judiciary & Administration Subcommittee (6pm) and the final vote will occur at the 4/10/25 Common Council meeting (6pm), both at city hall. The public is also welcome to write in, either to myself or to the city clerk.

Thanks again,

Hi Rebecca,

Thank you so much for asking. Yes you have my permission to add this video to the agenda, show the video, and add my email address. All the children in the video have written permission slips from their parents as well.

Thank you very much and have a wonderful week.

This is so great! Do I have you permission to add your email and the video to the legislation? That means the link is added to the agenda item documents online (like emails and letters) and be public.

Dear Ms. Schwarz,

I hope you're doing well. A group of talented kids from La Crosse put together a short video to show why Wisconsin should vote **\*\*YES\*\*** on the Film Tax Incentive Bill 1026. We'd love for you to take a moment to watch it. You are also welcome to share the video. <https://youtu.be/3gP29n5wXzl?feature=shared>

This bill would open up incredible opportunities for young actors, filmmakers, and local businesses in Wisconsin.

Thank you for your time and for considering your support!

Melissa Greco
