Section 3. Interest; Payment Provisions. The Bonds shall bear interest from their date or from the most recent interest payment date to which interest has been paid or duly provided for, at the respective rates set out above, such interest (computed upon the basis of a 360-day year consisting of twelve 30-day months) being payable on the first days of April 1 and October 1 of each year, commencing on April 1, 2021. Interest on each Bond shall be paid by check or draft of the Bond Registrar to the person in whose name such Bond is registered at the close of business on the fifteenth day of the calendar month next preceding the applicable interest payment date or at such other address as may be furnished in writing by such registered owner to the Bond Registrar. The principal of the Bonds shall be payable in lawful money of the United States of America only at the principal corporate trust office of the Bond Registrar.

Section 4. Execution; Authentication. The Bonds shall be executed on behalf of the City with the manual or facsimile signature of the Mayor of the City and with the manual or facsimile signature of the City Clerk of the City, and sealed with the official seal of the City or a printed facsimile of said seal. In case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. The Bonds may be prepared in printed or typewritten form.

All Bonds shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Registrar as authenticating agent of the City and showing the date of authentication of the Bonds. No Bond shall be valid or obligatory for any

purpose or be entitled to any security or benefit under this Resolution unless and until such certificate of authentication shall have been duly executed by the Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Resolution. The certificate of authentication on any Bond shall be deemed to have been executed by the Registrar if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued under this Resolution.

Section 5. Registration of Bonds; Persons Treated as Owners. (a) The City shall cause books (the “*Bond Register*”) for the registration and for the transfer of the Bonds as provided in this Resolution to be kept at the designated office of the Registrar, which is hereby constituted and appointed the registrar of the City with respect to the Bonds herein authorized. The City is authorized to prepare, and the Registrar shall keep custody of, multiple Bond blanks executed by the City for use in the transfer and exchange of Bonds.

Upon surrender for transfer of any Bond at the principal corporate trust office of the Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Registrar and duly executed by, the registered owner or his or her attorney duly authorized in writing, the City shall execute and the Registrar shall authenticate, date and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of the same maturity of authorized denominations, for a like aggregate principal amount. Any fully registered Bond or Bonds may be exchanged at said office of the Registrar for a like aggregate principal amount of Bond or Bonds of the same maturity of other authorized denominations. The execution by the City of any fully registered Bond shall constitute full and due authorization of such Bond and the Registrar shall thereby be authorized to authenticate, date and deliver such Bond, *provided, however*, the principal amount of outstanding Bonds of each maturity authenticated by the Registrar shall not exceed the authorized principal amount of Bonds for such maturity less previous retirements.

The Registrar shall not be required to transfer or exchange any Bond during the period beginning at the close of business on the 15th day of the month next preceding any interest payment date on such Bond and ending at the opening of business on such interest payment date, nor to transfer or exchange any Bond after notice calling such Bond for redemption has been mailed, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bonds.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any Bond shall be made only to or upon the order of the registered owner thereof or his or her legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the City or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds except in the case of

the issuance of a Bond or Bonds for the unredeemed portion of a Bond surrendered for redemption.

(b) *Global Book-Entry System.* The Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities of the Bonds determined as described in Section 2 hereof. Unless otherwise requested by any Purchaser, upon initial issuance, the ownership of each such Bond shall be registered in the Bond Register in the name of Cede & Co., or any successor thereto (“*Cede*”), as nominee of The Depository Trust Company, New York, New York, and its successors and assigns (“*DTC*”). All of the outstanding Bonds shall be registered in the Bond Register in the name of Cede, as nominee of DTC, except as hereinafter provided. The Mayor, the City Manager, the Treasurer, the Director of Finance and any other business official of the City and the Registrar are each authorized to execute and deliver, on behalf of the City, such letters to or agreements with DTC as shall be necessary to effectuate such book-entry system (any such letter or agreement being referred to herein as the “*Representation Letter*”), which Representation Letter may provide for the payment of principal of or interest on the Bonds by wire transfer.

With respect to Bonds registered in the Bond Register in the name of Cede, as nominee of DTC, the City and the Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which DTC holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a “*DTC Participant*”) or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City and the Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any amount with respect to the principal of or interest on the Bonds. The City and the Registrar may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the respective registered owners of the Bonds, as shown in the Bond Register, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City’s obligations with respect to payment of the principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than a registered owner of a Bond as shown in the Bond Register, shall receive a Bond evidencing the obligation of the City to make payments of principal and interest with respect to any Bond. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede, and subject to the provisions in Section 3 hereof with respect to the payment of interest to the registered owners of Bonds at the close of business on the 15th day of the month next preceding the applicable interest payment date, the name “Cede” in this resolution shall refer to such new nominee of DTC.

In the event that (i) the City determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, (ii) the agreement among the City, the Registrar and DTC evidenced by the Representation Letter shall be terminated for any reason or (iii) the City determines that it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the City shall notify DTC and DTC Participants of the availability through DTC of certificated Bonds and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of Cede, as nominee of DTC. At that time, the City may determine that the Bonds shall be registered in the name of and deposited with such other depository operating a universal book-entry system, as may be acceptable to the City, or such depository's agent or designee, and if the City does not select such alternate universal book-entry system, then the Bonds may be registered in whatever name or names registered owners of Bonds transferring or exchanging Bonds shall designate, in accordance with the provisions of Section 5(a) hereof.

Notwithstanding any other provisions of this resolution to the contrary, so long as any Bond is registered in the name of Cede, as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the name provided in the Representation Letter.

Section 6. Redemption Prior to Maturity. The Bonds maturing on and after October 1, 2030, shall be subject to redemption prior to their respective maturity dates at the option of the City as a whole, or in part in such order as the City may designate (less than all of the Bonds of a single maturity to be selected by the Bond Registrar as hereinafter provided), on October 1, 2029, and on any date thereafter, at a redemption price equal to 100% of the principal amount thereof being redeemed plus accrued interest to the date fixed for redemption.

The Bonds shall be redeemed only in the principal amount of \$5,000 and integral multiples thereof. The City shall, at least forty-five (45) days prior to any optional redemption date (unless a shorter time period shall be satisfactory to the Registrar) notify the Registrar of such redemption date and of the principal amount and maturity or maturities of Bonds to be redeemed. For purposes of any redemption of less than all of the outstanding Bonds of a single series and maturity, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot by the Registrar from the Bonds of such series and maturity by such method of lottery as the Registrar shall deem fair and appropriate; *provided* that such lottery shall provide for the selection for redemption of Bonds or portions thereof so that any \$5,000 Bond or \$5,000 portion of a Bond shall be as likely to be called for redemption as any other such \$5,000 Bond or \$5,000 portion. The Registrar shall make such selection upon the earlier of the irrevocable deposit of funds with an escrow agent sufficient to pay the redemption price of the Bonds to be redeemed or the time of the giving of official notice of redemption.

The Registrar shall promptly notify the City in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

Section 7. Redemption Procedure. Unless waived by any holder of Bonds to be redeemed, notice of the call for any such redemption shall be given by the Registrar on behalf of

the City by mailing the redemption notice by first class mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to the registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Registrar.

All notices of redemption shall state:

- (1) the date fixed for redemption,
- (2) the redemption price,
- (3) if less than all outstanding Bonds are to be redeemed, the identification, including CUSIP numbers (and, in the case of any partial redemption, the respective principal amounts) of the Bonds to be redeemed,
- (4) that on the date fixed for redemption the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date, and
- (5) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the designated office of the Registrar.

Unless moneys sufficient to pay the redemption price of the Bonds to be redeemed at the option of the City shall have been received by the Registrar prior to the giving of such notice of redemption, such notice may, at the option of the City, state that said redemption shall be conditional upon the receipt of such moneys by the Registrar on or prior to the date fixed for redemption. If such moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Bonds, and the Registrar shall give notice, in the same manner in which the notice of redemption shall have been given, that such moneys were not so received and that such Bonds will not be redeemed. Otherwise, prior to any redemption date, the City shall deposit with the Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

Subject to the provisions for a conditional redemption described above, notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the City shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered holder a new Bond or Bonds of the same maturity in the amount of the unpaid principal.

If any Bond or portion of Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at

the rate borne by the Bond or portion of Bond so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the Registrar and shall not be reissued.

Section 8. Form of Bonds. The Bonds, the certificate of authentication to be endorsed thereon and the form of assignment to be endorsed thereon are all to be in substantially the following forms with necessary and appropriate variations, omissions and insertions as permitted or required by this Resolution:

The principal proceeds of and accrued interest paid on the Bonds shall be deposited in a special fund or escrow account with an escrow agent, and used solely to pay the principal of the Refunded Bonds on October 1, 2021. In connection therewith, the Mayor and the City Clerk of the City are hereby authorized to execute on behalf of the City an escrow agreement between the City and the escrow agent for the purpose of establishing an escrow account. Amounts in the escrow may be used to purchase U.S. Treasury Securities—State and Local Government Series (the “*Government Securities*”) to provide for the principal and interest payable on the Refunded Bonds upon redemption thereof. The Escrow Agent, the City’s financial advisor and the Purchaser are each hereby authorized to act as agent for the City in the purchase of the Government Securities. At the time of issuance of the Bonds, the costs of issuance of the Bonds may be paid by the Purchaser on behalf of the City from the proceeds of the Bonds.

In accordance with the redemption provisions of the resolution authorizing the issuance of the Refunded Bonds, the City by the Common Council does hereby make provision for the payment of and does hereby call the Refunded Bonds for redemption on October 1, 2021.

The City further recognizes that Section 149(a) of the Code requires the Bonds to be issued and to remain in fully registered form under laws in force at the time the Bonds are delivered. In this connection, the City agrees that it will not take any action to permit the Bonds to be issued in, or converted into, bearer or coupon form.

Section 13. Duties of Bond Registrar. If requested by the Bond Registrar, the Mayor of the City is authorized to execute and the City Clerk of the City is authorized to attest the Bond Registrar's standard form of agreement between the City and the Bond Registrar with respect to the obligations and duties of the Bond Registrar hereunder which may include the following:

- (a) to act as bond registrar, authenticating agent, paying agent and transfer agent as provided herein;
- (b) to give notice of redemption of the Bonds as provided herein;
- (c) to cancel and destroy Bonds which have been paid at maturity or submitted for exchange or transfer;
- (d) to furnish the City at least annually a certificate of destruction with respect to Bonds cancelled and destroyed; and
- (e) to furnish the City at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds.

The City Clerk of the City is hereby directed to file a certified copy of this Resolution with the Bond Registrar.

The City covenants that it shall at all times retain a Bond Registrar with respect to the Bonds, that it will maintain at the designated office of such Bond Registrar a place or places where Bonds may be presented for payment or registration of transfer or exchange, and that it shall require that the Bond Registrar properly maintain the Bond Register and perform the other duties and obligations imposed upon it by this Resolution in a manner consistent with the standards, customs and practices of the municipal securities industry.

The Bond Registrar shall signify its acceptance of the duties and obligations imposed upon it by this Resolution by executing the certificate of authentication on any Bond, and by such execution the Bond Registrar, shall be deemed to have certified to the City that it has all requisite power to accept and has accepted such duties and obligations. The Bond Registrar is the agent of the City, and shall not be liable in connection with the performance of its duties, except for its own negligence or willful wrongdoing. The Bond Registrar shall, however, be responsible for any representation in its certificate of authentication on the Bonds.

The City may remove the Bond Registrar at any time. In case at any time the Bond Registrar shall resign, shall be removed, shall become incapable of acting, or shall be adjudged as bankrupt or insolvent, or if a receiver, liquidator or conservator of the Bond Registrar, or of the property thereof, shall be appointed, or if any public office shall take charge or control of the Bond Registrar, or of the property or affairs thereof, the City covenants and agrees that it will thereupon appoint a successor Registrar. The City shall mail notice of any such appointment made by it to each registered owner of any Bond within twenty (20) days after such appointment. Any Bond Registrar appointed under the provisions of this Section 14 shall be a City officer or a bank, trust company or national banking association.

The City and/or the Bond Registrar may enter into an agreement with a securities depository registered under Section 17A of the Securities Exchange Act of 1934, as amended (the “*Securities Depository*”), including without limitation The Depository Trust Company, which is the record owner of the Bonds, to establish procedures with respect to Bonds owned by such Securities Depository. Such agreement may impose additional requirements on the Bond Registrar with respect to the Bonds.

Section 14. Continuing Disclosure Undertaking. The Mayor, the City Clerk and the City Treasurer of the City, or any of them, are hereby authorized to execute and deliver on behalf of the City a continuing disclosure undertaking with respect to the Bonds (the “*Continuing Disclosure Undertaking*”). When the Continuing Disclosure Undertaking shall be executed and delivered on behalf of the City as contemplated herein, it shall be binding on the City, and all officers, employees and agents of the City are hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the terms and provisions of the Continuing Disclosure Undertaking. Notwithstanding any other provision of this Resolution to the contrary, the sole remedy for the failure to comply with the Continuing Disclosure Undertaking shall be the ability of the beneficial owners of the Bonds to seek mandamus or specific performance.

Section 15. Other Documents. The Mayor, the City Clerk and the City Treasurer of the City and all other officers of the City are hereby authorized to execute all documents and certificates (including without limitation any certificate or agreement executed to comply with Rule 15c2-12 of the Securities and Exchange Commission) and to take all actions as may be necessary in connection with the authorization, issuance, sale and delivery of the Bonds and the performance of the obligations of the City hereunder and to carry out and comply with the terms of this Resolution, including without limitation an official statement describing the Bonds and the City. This Resolution and all such documents shall be in substantially the same form contemplated by this Resolution, with such changes as shall be approved by the officers executing this Resolution and said documents, the execution thereof to constitute conclusive proof of such approval.

Section 16. Severability. If any section, paragraph or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this Resolution.

Section 17. Ordinances, Resolutions Superseded. All ordinances and resolutions in conflict herewith are hereby superseded to the extent of such conflict, and this Resolution shall take effect from and after its passage.
