

**AFFIDAVIT OF HANNAH BOLDEBUCK**

STATE OF WISCONSIN    )  
  )        ss.  
COUNTY OF LA CROSSE    )

Hannah Boldebeck, being first duly sworn, on oath, states as follows:

1. I am a first-year student at the University of Wisconsin-La Crosse, and I make this affidavit based on my own personal knowledge.
2. I am currently 18 years old, and my date of birth is December 31, 2006. I live in the City of La Crosse, Wisconsin.
3. I received citations for being underage in a bar and possession/consumption of alcohol 17-20 at Tequila's Bar & Grill ("Tequila's"), reference Case No. 10-25-39979, on September 6, 2025. Several of my friends, all under the age of 21 and most of whom are first-year students, were also present at Tequila's that night and consumed alcohol on premises.
4. Upon information and belief, Tequila's is well-known among college students in La Crosse as being easy for underage adults to be admitted and purchase and consume alcohol on the Tequila's premises. I became aware of this reputation from classmates of a similar age. It is known that you need to have some form of identification showing that you are above 21 years old, but the employees checking IDs have a reputation for not really looking at the IDs or check to see if the ID matches the person showing the ID.
5. When I received the citation on September 6, 2025, that was the second time I had been to Tequila's. The first time I was at Tequila's was the day before, September 5, 2025.
6. On September 6, 2025, I went to Tequila's with people that I knew to be underage.
7. When I entered Tequila's on September 6, 2025, there was not any bouncer or ID checker there. I went to the left when I entered Tequila's, which is where the Bar Only area is located,

and there was an employee near the bar area. The employee asked to see IDs. I handed him a fake ID that looked similar to a Wisconsin driver's license. The process of having my ID checked by the employees was extremely fast. Based on my recollection, my ID was not scanned. I was never asked for a second form of ID or asked my date of birth.

8. On both September 5 and September 6, 2025, I never observed bartenders at Tequila's requesting ID from patrons when ordering alcoholic beverages, nor have I ever seen or heard of someone presenting ID to a bartender. Both my friends and I have ordered alcoholic beverages from Tequila's.

Further Affiant Sayeth Not.
