Dear Council Members,

As a resident of the City of La Crosse I am writing to you to voice my opposition to item 23-0673. This item is a cruel proposition that will not provide any lasting or humane solutions to the systemic issues of housing unaffordability and the lack of sustaining support for our neighbors.

La Crosse residents deserve not to be vilified and criminalized for simply trying to survive.

I strongly oppose item 23-0673 and I hope that the city council will center the needs of those most impacted by homelessness and oppose this item. We must invest time and resources into proactive and direct solutions.

Thank you for your service to the community and for listening to your constituents.

Sincerely,

Jake Fischer
