Agenda Items:

1 Ride with the Mayor Update

James Longhurst talked about how this is the first Ride with the Mayor event since Covid. It's a great way to gain publicity for the current and future projects of the Bike/Ped plan. The event will be Thursday, May 30th from 9:00 AM-12:00 PM. If it is raining the event will be held the following day. There will be an event in the afternoon/evening for a free showing of the public street document.

After public input the updates are as follows.

- Leave the 'Big Three' (Hwy 35, 53 and Losey) on the plan in their own unique color.
- Leave Main St. on the plan especially because it's the most dense part of La Crosse with the most potential for short trip conversions and provides key connections.
- Leave on 3rd and 4th Street with a consideration/focus on pedestrian facilities because it aligns with Imagine 2040 Plan and the city's long term vision.

4 Grant/Project Updates (Wagon Wheel Trail, SS4A)

Metropolitan Planning Organization is also applying for the grant to hopefully join with the City to create a safety action plan for Roads for All.

5 Call for future agenda items.

Pueschner would like 2nd St cycle track on a future agenda.
