KING ON FIFTH, LLC

505 King Street, Suite 223, La Crosse, WI 54601

July 1, 2015

Matthew Gallager
City Traffic Engineer
City of La Crosse
400 La Crosse Street
La Crosse, WI 54601

Dear Mr. Gallager:

Recently the King on Fifth building lost management of the parking lot immediately behind the building (between 5th and 6th streets), the lot is owned by the Cathedral and they have pulled back management.

Part of this process is that they are installing electronic arms into the lot to restrict the availability and usage of the lot. Although the King on Fifth building will be renting a portion of spots to provide for visitor parking, I'm certain that there will be overflow onto the streets that hasn't existed prior.

I am wondering if it would be of benefit to designate a single space on King Street on either side of the alleyway as a Handicapped parking space?

Currently, there is a handicapped space on the corner of 5th and Jay. In relationship to our building, that is not a viable handicapped parking space.

I am interested in feedback on this thought and then, if it's reasonable, I will make application and payment of the \$25.00 fee.

Thank you for your consideration.

Sincerely,

Laura Stiehl
