

**OBJECTION TO
AMENDMENT OF ZONING DISTRICT BOUNDARIES**

I hereby object to the amendment to the Zoning Code by the transfer of the following described land:

129 & 133 29th St. So.

17-20100-90 and 17-20100-80 McLoones Hillside Addition - Lot 7 & 8, Block 3

from the Single Family District to the Conservancy District.

I object for the following reason(s):

There are multiple safety & traffic concerns with the proposed trails marked 1a, 1b, 2a, 2b & access point on 29th St that the City has not addressed nor are these concerns being taken seriously. The safety risks to the homeowners & their property due to land disturbing activities on Grandad's Bluff (directly above homes) will change the fragile topography which will increase dramatically the risk of rock & land slides, boulder displacement, stormwater drainage flows, washouts, etc. This will impact residents on 29th & 28th Sts. Also, the increased vehicle & pedestrian traffic will impede safe accesibility to our property & present significant risks for travelers on 29th St, & users of these trails, as 29th St. already has significant & distinct safety hazards. See all supporting info.

I further certify that I am the owner of the following described lands (include legal description from tax bill):

MCLOONES HILLSIDE ADDITION LOT 21 BLOCK 2 LOT SZ: IRR

 ft. frontage on 29th Street

 ft. frontage on Street
