Description of Event:

The Second Saturday Art Market would be held on the Second Saturday of July - September in Civic Centre Park from 10 am to 3 pm. The Market will feature local artisans an opportunity to share and sell their art. Last year this event was held and helped to support artists through the pandemic.

This year it would be held on three select dates to keep the momentum going, while respecting traditional art fairs that will be held again this year.

The Civic Centre Park allows for adequate space between vendor booths- see map. Masks can be required for participation in the Arts Market if La Crosse County advises this. Signage and hand sanitizer will be available at the entrance and exit to the area. Traffic flow through this area is adequate through the center area for those traveling to Riverside Park.

We will be adding signage and extra trash cans for the event dates, there is adequate parking in the area for those who will be vendors and visitors both in the adjacent parking lots open on the weekends and the nearby parking ramp.

We have spoken with the City Clerk and have been advised that this event does not need a City Special event license that we can just proceed to obtain permission to use the space through the Parks and Recreation Department.
