

**WHEREAS** the Airport has received requests for the installation of an electric vehicle charging station for the terminal parking lot, and

**WHEREAS** the Airport has conduit in place for said installation, and

**WHEREAS** the Airport would install a single electric vehicle charging station capable of charging two vehicles in the short term parking lot, and

**WHEREAS** some of the installation and operational costs would be recovered through the additional daily charges associated with short term parking rates, and

**WHEREAS** said installation would provide a green alternative for public transportation to the airport.

**NOW THEREFORE BE IT RESOLVED** by the Common Council of the City of La Crosse that it hereby appropriates and approves for expenditure up to \$10,000 from airport funds for the installation of a single electric vehicle charging station.

**BE IT FURTHER RESOLVED** that the Airport Manager and Finance Director are authorized to take all necessary steps to effectuate said resolution.
