City council members:

I understand you will be looking at ordinance# sec32-191 (file#22-0636). How far do we have to go before we completely fail? As a parent testified before congress, a parent who lost his daughter in the Columbine school shooting, guns don't kill people, people kill people, and why, because we have lost our moral compass. That is why I asked how far do we have to go before we completely fail? If the information that I received on this ordinance is correct and it passes, it will be another step in moral decline. Please, consider your decision. If I were to vote, I would vote against this measure. Thank you for your time.
