

Heritage Preservation Commission,

The Parks, Recreation and Forestry Department is proposing to make roof repairs to the 1926 Mediterranean eclectic revival styled Pettibone Bathhouse. Replica tiles have been sourced to Vander Hey's Inc. Please see the attached images of Pettibone Roof Tiles and Vander Hey's Inc. tiles. With your approval we will order the replacement tiles and work with local contractor Ledegar Roofing to complete the repair.

Respectfully,

Leah Burns
