Dear Ms. Elsen, the City Council, and all whom it may concern:

My name is Lisa Freedlund, and I am La Crosse resident. I reside at 2222 Mississippi Street.

I am in opposition to the CUP for the demolition of Fire Station No. 4. While I am in favor of a new fire station facility, I do feel that the construction of the new facility can happen without demolishing the current Fire Station 4. This building is an important part of our city's history. Now would be the right time to preserve it, and it would make a great historical site, perhaps museum.

Thank you,

Lisa Freedlund
