Summary/Purpose

To appoint additional election officials for election term 2024-2025.

Background

Pursuant to state law, the governing body of a municipality must appoint election officials. This is done in December of each odd numbered year for the two-year election term.

The municipality may appoint additional election officials as necessary to increase the total number to a level sufficient for staffing polling places.

Additional election officials are needed to work upcoming large turnout elections and to maintain an alternate election inspector to call when needed.
