You are receiving this letter because your lease is currently month to month and we have decided not to continue renting to you. This is your legally required 28-day notice to move. Your move out date is October 25th 2021 at 12PM. If you are not out at this time we will file an eviction. Remember that all apartment keys and parking passes must be left behind when you move out, failure to do so can result in fines that will be reflected in your security deposit.

Kelly Mitchell
