I am writing to express my concern about the current unsatisfactory Short Term Rental (STR) ordinance that is on the agenda for the upcoming City of La Crosse Judiciary & Administration Committee meeting on October 30th. If STR rentals are allowed in our neighborhoods there must be reasonable and lawful restrictions in place. My ask is that the City's Judiciary & Administration Committee continues to review the ordinance as well as the application process, before moving to the next steps. I believe La Crosse can be a leader in developing an ordinance that is right for our neighborhoods by following the lead of other communities like Madison, Ashwaubenon, Oconomowoc and Hudson.

Thank you for your consideration.
