Good Afternoon Kari,

It was our office's understanding that the airlines actually reimburse their flight crews for the parking at our terminal. Was that not the case?

Thank you!

Kari paid with a check for the year. She would be due a refund of \$166.67 plus 9.17 tax. Total 175.84. I know we also had a refund for Drake. How do we do this? Is it something that Finance does?  
Thanks

Hi Denise,

I just saw the bad news of Delta pulling out of the LSE airport effective early June. I paid in advance (\$263.75) for a whole year of parking (Signatory employee) of which I will now have absolutely no need for due to no flights. Please let me know how I may receive reimbursement. I will stop in the office on Monday as I'll be coming in on the afternoon Delta flight. Thanks so much! Kari Roubik Delta Flight Attendant
