GRANT SELECTION CRITERIA:

Buy Local

While not required, it is strongly recommended to hire local contractors and craftsmen to help support and strengthen the local economy.

Applicant Checklist

Applicants should make sure to have all items in the list below ~~completed and submitted by the quarterly application date that they wish to have their project reviewed by the Downtown Mainstreet, Inc. Facade Committee included in order for an application submission to be considered complete:~~

- Facade Grant Application Form
- ~~R~~Colored, rendered elevations drawing(s) to scale
- Electronic photos with a key plan illustrating existing conditions
- Historic photos with dates listed (if available)
- Contractor's Opinion of Probable Cost
- Anticipated construction start and completion date

How To Apply

- First and foremost an applicant must define the scope of work to be done. This will often require retaining the services of an Architect for the "Rendered Elevation(s)" and could also include a Contractor to assist in preparing the "Opinion of Probable Cost."
- Contact Tim Acklin, Planning Administrator, to determine if the building is historic and the design plans need to be reviewed by the Historic Preservation Commission.

- Fill out all requested information on the application form. Please provide current contact information. If there is a question and we aren't able to get in contact with you it may delay the processing of your application. If an area does not apply to your project simply write "N/A".
- ~~_____~~
- Colored, rendered elevations should be 2-dimensional line drawings with ~~color and~~ notes clarifying materials, finishes. Shadows and other features are optional. Drawings are preferred at 1/4"=1'-0" scale, but 1/8"=1'-0" scale drawings are acceptable for larger buildings. All submitted images may be used by the City-DMI at their discretion for advertising and educational purposes. Renderings may be done on any standard paper size.
- Submit electronic photographs depicting the existing condition of the building. ~~These photos shall be numbered 1 of 20, 2 of 20 and so on. All photos will be keyed to a plan where the number of the photo is shown with an arrow pointing in the direction the photo is taken.~~ Photos illustrating the overall facade(s) as well as detail shots shall be included. (Please keep in mind that photos taken at the same location after project completion will be required prior to final disbursement of funds.)
- Submit one copy of any historic photographs of your building. Photos should list the location of the photograph and the approximate date if available. Please note that not all buildings have historic photos available. Two of the best places to search for historic photos locally are the La Crosse Public Library Archives and the University of Wisconsin - La Crosse Murphy Library Special Collections. If using these resources please call ahead and inform the staff of the property you wish to research.
- The "Opinion of Probable Cost" may best be compiled by a Contractor, but an Architect could also provide this document. Costs shall be broken down by discipline, i.e. masonry, carpentry, doors/windows, overhead and profit etc. ~~This breakdown shall also list the work to be performed, such as masonry may have cleaning, tuckpointing and new masonry installation work all listed under the "masonry" section.~~ A minimum of a 10% construction contingency to help cover unforeseen conditions shall also be included.
- ~~Submit a digital copy of all items listed above on either CD or flash/USB drive.~~

Award of Funds

- ~~After the complete submittal has been received, it will be reviewed by City staff. with input from the Façade Advisory Committee if needed. Participants on the Façade Advisory Committee will be approved by the Director of the Planning Department~~
- ~~After the complete submittal has been received, it will be reviewed and voted on at the quarterly DMI Façade Committee Meeting, held the second Tuesday of each month in March, June, September and December. Final approval will take place at the Economic and Community Development Commission meeting held on the fourth Thursday of each month.~~
- Applicants will be notified if their project is "Conditionally Approved" or "Denied." Applicants who are conditionally approved may see items requiring action on their part. Any requested corrections should be addressed in writing and may require the elevation drawing(s) to be resubmitted.
- Portions of work on the project utilizing these funds can only begin after receiving a written Conditional Approval ~~Letter from DMI~~ from the City.
- When all construction work is COMPLETE, request the reimbursement form provided by from City staff. The final submittal shall also include color photos showing the completed project and shall be taken from similar angles/locations as the original submitted photos. All receipts and invoices paid in full must also be submitted (invoices should have an itemized breakdown of work done and show the cost of each item, such as X square feet or tuckpointing \$5,000). City staff will conduct a final inspection of the property.
- ~~When all construction work is COMPLETE, submit a request for final inspection. The final submittal shall include color photos showing the completed project and shall be taken from similar angles/locations as the original submitted photos. All receipts and invoices paid in full must also be submitted (invoices should have an itemized breakdown of work done and show the cost of each item, such as X square feet or tuckpointing \$5,000). The reimbursement form must also be submitted.~~

- After final review ~~by DMI~~, if the completed project has met the requirements and a W-9 is completed, ~~DMI~~ The City will ~~send a written letter to the City of La Crosse requesting the release of funding to the building owner.~~ release funding to the applicant.
