I'm sending along the presentation in two formats: individual photos and a Powerpoint presentation. I won't be able to make the meeting tomorrow morning unfortunately.
If the presentation is OK, perhaps Doug can forward it to the clerk and the other board members? If not, please let me know.

Incidentally, I talked to Dennis Terpstra this afternoon on the west side of 28th at Diagonal Road. He said he is against the sidewalk proposal. He might come to the meeting tomorrow. He would have 280 feet of sidewalk to shovel if it went on both 28th and Diagonal.

Here is the sidewalk petition summary we talked about. Rick and I would appreciate you sending us the presentation you are working on. And, will you be at the public hearing? Thanks.
