

From the Offices of the Traffic Engineer  
and the Chief of Police  
City Hall

**CITY OF LA CROSSE  
BOARD OF PUBLIC WORKS  
Findings & Orders:**

February 27, 2020

ESTABLISHING

AMENDING

VACATING

TYPE OF ALTERATION: Midblock crosswalk with RRFB

GENERAL LOCATION: 400 block of 7<sup>th</sup> Street N at a point 380 feet South of Badger Street.

Report:

A request and application were received to investigate the 400 block of 7<sup>th</sup> Street N for a possible installation of a midblock crosswalk with RRFB enhancements.

Upon observing the site, it is noted that Western Technical College is sole owner of properties on both sides of the street, with employees, students, and visitors using the crosswalk. The BPW previously approved a capital project to install the RRFB, with equipment purchased by WTC.

**WHEREAS**, Section 44-39 of the City of La Crosse Municipal Code of Ordinances provides that after obtaining a report and recommendation of the Traffic Engineer, the Chief of Police shall forward recommendations and appropriate orders to the Board of Public Works.

**AND WHEREAS**, the Findings of the Traffic Engineer state the public interest, convenience, and necessity, the Chief of Police hereby Orders the above traffic alterations, to wit:

- Establish midblock crosswalk RRFB in the 400 block of 7<sup>th</sup> Street N as detailed above.

**NOW, THEREFORE**, the Board of Public Works hereby approves the aforementioned traffic alteration, and City staff is hereby authorized to effect said changes.

Matthew A. Gallager  
Deputy Dir. Engineering & Public Works

Shawn Kudron  
Chief of Police
