Agenda item number:

Subject: Professional Arts Building Designation

Members of the La Crosse City Council,

I am writing to express my strong support for designating the Professional Arts Building on the Mayo Clinic campus in La Crosse as an historic property.

This building was clearly constructed with longevity and craftsmanship in mind, and it remains a striking and valuable part of our city's architectural character. La Crosse has already lost too many historically significant and beautiful structures over the years, and we cannot afford to lose another.

Preserving this building is not only about honoring our past—it is about protecting the identity and heritage of our community for future generations. I respectfully urge you to take the necessary steps to ensure this building is preserved and protected from demolition.

Please do the right thing and save this important piece of La Crosse's history.

Thank you for your time and consideration.
