Dear Judiciary Council Members,

I am writing to you to request a waiver of hardship from the moratorium you instated on July 1, 2013. I am the owner of a single family house on 511 Jackson St., Lacrosse, WI. As I live in Osceola, WI, I was unaware of the moratorium put into place. I never received a letter informing me of said action. I do not receive the local papers and I was not told from the property management company. They assumed I had the house registered as a rental. I had no idea I was supposed to register the house as a rental or else I would have done so.

The property tax bill and the water bill come to my Osceola home and there was no notice included in these bills.

I would appreciate your help and consideration in this matter in receiving a waiver of hardship. I will be present at your September meeting if you have any questions.

Sincerely,

Rosanne A. Anderson
