To whom it may concern:

I am writing this letter on behalf of the families of the Rivercrest Village who are facing eviction from their homes at the end of June. This is based on the City of La Crosse's swift decision to terminate the lease they have with Rivercrest Partners, the owners of Rivercrest Village.

Ginny Kreyer, a friend of mine, was asked with mere months to leave the home that she and her partner have known and loved for 18 years. This has caused undue harm mentally to many in that area who call this home. I cannot imagine the despair the City's quick decision on this matter has caused them.

Please consider extending this decision for at least a year. Take into account the pain and suffering this would cause each and everyone of you if this termination was sprung on you.

These are good people who are proud of their properties and homes. They have put countless hours and money into their properties and they look forward to coming home to them just like you. Please be compassionate in your decision about these families.

Thank you.

Sincerely,

Mark and Pat Carpenter
