I don't care if Latinos is only freshmen, at what other time in your life are you going to be able to go somewhere every weekend that's a full on party, see everyone you know, and hook up with a different hot girl every night?

It's funny seeing all the upperclassmen hate on freshman and tinos as if that wasn't you too

5

**#1** 12m

Na we lived it. We get the right to hate on it now because we know all the shit that goes on there. Kind of how a recovering drug addict can hate on people that do drugs

The bars we go to now are even worse, but none of us will admit how awful they are because it makes us feel superior we go there

as an upperclassman i defend tinos cuz its fun tf 🤔 i hate the mfs that think they're better than everyone because they can get in other places

Tinos was fun but its getting shut down as it should. No place should be letting in anyone. I know high schoolers who are 16/17 with fakes that go there every weekend
