Dear La Crosse City Council Members

I am writing in support of the petition for rezoning of 212 S. 11th St. from Washburn Residential to Traditional Neighborhood Development. Often people in our community are not aware of the many services available. The Reach Center gives us better access in one place. If rezoning allows the Reach Center to expand services and reach a greater number of our population, it can only be a beneficial for our community.

Thank you.
