Subject: Snow and ice removal citation

I received a citation for snow and ice removal today invoice number #00025400. I ask that this citation be waved. In the past I have had no issues removing snow and ice from the sidewalks. After this particular accumulation of snow from January 16, I had used my snowplough as best that I could. I was able to also sprinkle salt on the accumulated ice. This winter has been particularly rough due to my diagnosis of rheumatoid arthritis and recent flareups of this disease. In the future I will hire someone who is able to assist me when I am not able. I appreciate your consideration of my request.
