The Grantee agrees to make every reasonable effort to develop a balance in either its total workforce or in the project-related workforce that is based on a ratio of work hours performed by handicapped persons, minorities, and women except that, if the department finds that the Grantee is allocating its workforce in a manner which circumvents the intent of this chapter, the Department may require the Grantee to attempt to create a balance in its total workforce. The balance shall be at least proportional to the percentage of minorities and women present in the relevant labor markets based on data prepared by the Department of Industry, Labor and Human Relations, the Office of Federal Contract Compliance Programs or by another appropriate governmental entity. In the absence of any reliable data, the percentage for qualified handicapped persons shall be at least 2% for whom a Grantee must make a reasonable accommodation.

This provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Except with respect to sexual orientation, the Grantee further agrees to take affirmative action to ensure equal employment opportunities. 11. CONFIDENTIAL, PROPRIETARY, AND PERSONALLY IDENTIFIABLE INFORMATION

In connection with the performance of the work prescribed in this Agreement, it may be necessary for DHS to disclose to the Grantee certain information that is considered to be confidential, proprietary, or containing Personally Identifiable Information (Confidential Information). The Grantee shall not use such Confidential Information for any purpose other than the limited purposes set forth in this Agreement, and all related and necessary actions taken in fulfillment of the obligations herein. The Grantee shall hold all Confidential Information in confidence, and shall not

disclose such Confidential Information to any persons other than those directors, officers, employees, and agents who have a business-related need to have access to such Confidential Information in furtherance of the limited purposes of this Agreement and who have been apprised of, and agree to maintain, the confidential nature of such information in accordance with the terms of this Agreement.

The Grantee shall institute and maintain such security procedures as are commercially reasonable to maintain the confidentiality of the Confidential Information while in its possession or control including transportation, whether physically or electronically. DHS may conduct a compliance review of the Grantee's security procedures to protect Confidential Information under Section 17 (Audits) of this Agreement.

The Grantee shall ensure that all indications of confidentiality contained on or included in any item of Confidential Information shall be reproduced by the Grantee on any reproduction, modification, or translation of such Confidential Information. If requested by DHS, the Grantee shall make a reasonable effort to add a proprietary notice or indication of confidentiality to any tangible materials within its possession that contain Confidential Information of DHS, as directed.

The Grantee or its employees and Subgrantees will not reuse, sell, make available, or make use in any format the data researched or compiled for this Agreement for any venture, profitable or not, outside this Agreement.

The restrictions herein shall survive the termination of this Agreement for any reason and shall continue in full force and effect and shall be binding upon the Grantee or its agents, employees, successors, assigns, Subgrantee, or any party claiming an interest in this Agreement on behalf of or under the rights of Grantee following any termination. Grantee shall advise all of their agents, employees, successors, assigns and Subgrantee which are engaged by the State of the restrictions, present and continuing, set forth herein. Grantee shall defend and incur all costs, if any, for actions that arise as a result of noncompliance by Grantee, its agents, employees, successors, assigns and Subgrantee regarding the restrictions herein.

- A. *Reporting to DHS:* Grantee shall immediately report within five (5) business days to DHS any use or disclosure of Confidential Information not provided for by this Agreement, of which it becomes aware. Grantee shall cooperate with DHS' investigation, analysis, notification and mitigation activities, and shall be responsible for all costs incurred by DHS for those activities.
- B. *Indemnification:* In the event of a breach of this section by Grantee, Grantee shall indemnify and hold harmless DHS and any of its officers, employees, or agents from any claims arising from the acts or omissions of the Grantee, and its Subgrantee, employees and agents, in violation of this section, including but not limited to, costs of credit monitoring and identity theft restoration coverage for one (1) year of coverage from the date the individual enrolls, of all persons whose Confidential Information was disclosed, disallowances or penalties from federal oversight agencies, and any court costs, expenses, and reasonable attorney fees, incurred by DHS in the enforcement of this section.
- C. *Equitable Relief:* The Grantee acknowledges and agrees that the unauthorized use, disclosure, or loss of Confidential Information may cause immediate and irreparable injury to the individuals whose information is disclosed and to DHS, which injury will not be compensable by money damages and for which there is not an adequate remedy available by law. Accordingly, the parties specifically agree that DHS, in its own behalf or on behalf of the affected individuals, may seek injunctive or other equitable relief to prevent or curtail any such breach, threatened or actual, without posting security and without prejudice to such other rights as may be available under this Agreement or applicable law.
- D. *Liquidated Damages:* The Grantee agrees that an unauthorized use or disclosure of Confidential Information may result in damage to the State's reputation and ability to serve the public interest in its administration of programs affected by this Agreement. Such amounts of damages which will be sustained are not calculable with any degree of certainty and thus shall be set forth herein. Assessment under this provision is in addition to other remedies under this Agreement and as provided in law or equity. DHS shall assess reasonable damages as appropriate and notify the Grantee in writing of the assessment. The Grantee shall automatically deduct any assessed damages from the next appropriate monthly invoice, itemizing the assessment deductions on the invoice. Liquidated Damages shall not exceed the following:
 1. \$1,000 for each individual whose Confidential Information was used or disclosed;
 2. \$2,500 per day for each day that the Grantee fails to substantially comply with the Corrective Action Plan under this Section

- E. **HIPAA:** The Grantee IS NOT a “business associate” pursuant to the definition under the Health Insurance Portability and Accountability Act (HIPAA) and the regulations promulgated thereunder specifically 45 C.F.R. § 160.103. If the parties are business associates, then the parties shall comply with DHS’ Business Associate Agreement.

If the Grantee is a business associate, the Grantee agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 C.F.R. This document must be fully executed before Agreement performance begins.

This Section shall survive the termination of the Agreement.

12. SUBGRANT or SUBCONTRACT

- A. DHS reserves the right of approval of any Grantee’s further contracts, grants, contractors, or grantees under this Agreement, and the Grantee shall report information relating to any further contract, grants, contractors, or grantees to DHS. A change in any further contractor or grantee or a change from a direct service provision to a further contractor or grantee may only be executed with the prior written approval of DHS. In addition, DHS approval may be required regarding the terms and conditions of any further contracts or grants and the further contractor or grantee selected. Approval of any further contracts, grants, contractors, or grantees will be withheld if DHS reasonably believes that the intended further contractor or grantee will not be a responsible contractor or grantee in terms of services provided and costs billed.
- B. The Grantee retains responsibility for fulfillment of all terms and conditions of this Agreement when it enters into any further contract or grant and will be subject to enforcement of all the terms and conditions of this Agreement.

13. GENERAL PROVISIONS

- C. If a state public official (*see* Wis. Stat. § 19.42), a member of a state public official’s immediate family, or any organization in which a state public official or a member of the official’s immediate family owns or controls at least a 10 percent (10%) interest is a party to this Agreement and if this Agreement involves payment of more than \$3,000 within a 12-month period, this Agreement is void unless appropriate written disclosure is made, according to Wis. Stat. § 19.45(6), before signing the Agreement. Written disclosure, if required, must be made to the State of Wisconsin Ethics Commission at:

Wisconsin Ethics Commission
PO Box 7125
Madison, WI 53707-7125
Fax: (608) 264-9319

- D. If the Grantee or Subgrantee is a corporation other than a Wisconsin corporation, it must demonstrate, prior to providing services under this Agreement, that it possesses a *Certificate of Authority* from the State of Wisconsin Department of Financial Institutions, and must have and continuously maintain a registered agent, and otherwise conform to all requirements of Wis. Stat. chs. 180 and 181 relating to foreign corporations.
- E. The Grantee agrees that funds provided under this Agreement shall be used to supplement or expand the Grantee’s efforts, not to replace or allow for the release of available Grantee funds for alternative uses.

14. ACCOUNTING REQUIREMENTS

- A. The Grantee's accounting system shall allow for accounting for individual grants, permit timely preparation of expenditure reports required by DHS as contained in Section 6 of this Agreement, and support expenditure reports submitted to DHS.
- B. The Grantee shall reconcile costs reported to DHS for reimbursement or as match to expenses recorded in the Grantee's accounting or simplified bookkeeping system on an ongoing and periodic basis. The Grantee agrees to complete and document reconciliation at least quarterly and to provide a copy to DHS upon request. The Grantee shall retain the reconciliation documentation according to approved records retention requirements.
- C. Expenditures of funds from this Agreement must meet the Department's allowable cost definitions as defined in the Department's Allowable Cost Policy Manual (<https://www.dhs.wisconsin.gov/business/allow-cost-manual.htm>).

15. CHANGES IN ACCOUNTING PERIOD

- A. The Grantee shall notify DHS of any change in its accounting period and provide proof of Internal Revenue Service (IRS) approval for the change.
- B. Proof of IRS approval shall be considered verification that the Grantee has a substantial business reason for changing its accounting period.
- C. A change in accounting period shall not relieve the Grantee of the reporting or audit requirements of this Agreement. An audit meeting the requirements of this Agreement shall be submitted within 90 days after the first day of the start of the new accounting period for the short accounting period and within 180 days of the close of the new accounting period for the new period. For purposes of determining audit requirements, expenses and revenues incurred during the short accounting period shall be annualized.

16. PROPERTY MANAGEMENT REQUIREMENTS

- A. Property insurance coverage will be provided by the Grantee for fire and extended coverage of any equipment funded under this Agreement which DHS retains ownership of and which is in the care, custody, and control of the Grantee.
- B. DHS shall have all ownership rights in any computer hardware supplied by DHS as a result of this Agreement. DHS shall have all ownership rights in any software or modifications thereof and associated documentation that is designed and installed or developed and installed under this Agreement. The Grantee shall have all ownership rights in any computer hardware funded under this Agreement and will have a nonexclusive, nontransferable license to use for its purposes of the software or modifications and associated documentation that is designed and installed or developed and installed under this Agreement.
- C. The Grantee agrees that if any materials are developed under this Agreement, DHS shall have a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use and to authorize others to use such materials. Any discovery or invention arising out of, or developed in the course of, work aided by this Agreement shall be promptly and fully reported to DHS.

17. AUDITS

- A. *Requirement to Have an Audit:* Unless waived by DHS, the Grantee shall submit an annual audit to DHS if the total amount of annual funding provided by DHS (from any and all of its Divisions or subunits taken collectively) through this and other Grants is \$100,000 or more. In determining the amount of annual funding provided by DHS, the Grantee shall consider both: (a) funds provided through direct Grants with DHS; and (b) funds from DHS passed through another agency which has one or more Grants with the Grantee.
- B. *Audit Requirements:* The audit shall be performed in accordance with generally accepted auditing standards, Wis. Stat. § 46.036, Government Auditing Standards as issued by the U.S. Government Accountability Office, and other provisions specified in this agreement. In addition, the Grantee is responsible for ensuring that the audit complies with other standards and guidelines that may be applicable depending on the type of services provided and the amount of pass-through dollars received. Please reference the following audit documents for complete audit requirements:

- 2 Code of Federal Regulations (C.F.R.), Part 200 - Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, Subpart F - Audits. The guidance also includes an Annual Compliance Supplement that details specific federal agency rules for accepting federal subawards.
 - The State Single Audit Guidelines (SSAG) expand on the requirements of 2 C.F.R. Part 200 Subpart F by identifying additional conditions that require a state single audit. Section 1.3 of the SSAG lists the required conditions.
 - DHS Audit Guide is an appendix to the SSAG and contains additional DHS-specific audit guidance for those entities who meet the SSAG requirements. It also provides guidance for those entities that are not required to have a Single Audit but need to comply with DHS subrecipient/contractor audit requirements. An audit report is due to DHS if a subrecipient/contractor receives more than \$100,000 in pass-through money from DHS as determined by Wis. Stat. § 46.036.
- C. *Source of Funding:* DHS shall provide funding information to all subrecipient/contractors for audit purposes, including the name of the program, the federal agency where the program originated, the CFDA number and the percentages of federal, state and local funds constituting the agreement.
- D. *Reporting Package:* The subrecipient/contractor that is required to have a Single Audit based on 2 C.F.R. Part 200 Subpart F and the State Single Audit Guide is required to submit to DHS a reporting package which includes all of the following:
1. General-purpose financial statements of the overall agency and a schedule of expenditures of federal and state awards, including the independent auditor's opinion on the statements and schedule.
 2. Schedule of findings and questioned costs, schedule of prior audit findings, corrective action plan and the management letter (if issued).
 3. Report on compliance and on internal control over financial reporting based on an audit performed in accordance with government auditing standards.
 4. Report on compliance for each major program and a report on internal control over compliance.
 5. Report on compliance with requirements applicable to the federal and state program and on internal control over compliance in accordance with the program-specific audit option.
 6. * DHS Cost Reimbursement Award Schedule. This schedule is required by DHS if the subrecipient/contractor is a non-profit, for-profit, a governmental unit other than a tribe, county, Chapter 51 board or school district; if the subrecipient/contractor receives funding directly from DHS; if payment is based on or limited to an actual allowable cost basis; and if the auditee reported expenses or other activity resulting in payments totaling \$100,000 or more for all of its grant(s) or contract(s) with DHS.
 7. *Reserve Schedule is only required if the subrecipient/contractor is a non-profit and paid on a prospectively set rate.
 8. *Allowable Profit Schedule is only required if the subrecipient/contractor is a for-profit entity.
 9. *Additional Supplemental Schedule(s) required by funding agency may be required. Check with the funding agency.
- *NOTE: These schedules are only required for certain types of entities or specific financial conditions. For subrecipient/contractors that do not meet the federal audit requirements of 2 C.F.R. Part 200 and SSAG, the audit reporting package to DHS shall include all of the above items except items 4 and 5.
- E. *Audit Due Date:* Audits that must comply with 2 C.F.R. Part 200 and the State Single Audit Guidelines are due to the granting agencies nine months from the end of the fiscal period or 30 days from completion of the audit, whichever is sooner. For all other audits, the due date is six months from the end of the fiscal period unless a different date is specified within the contract or grant agreement.
- F. *Sending the Reporting Package:* Audit reports shall be sent by the auditor via email to DHSAuditors@Wisconsin.gov with "cc" to the subrecipient/auditee. The audit reports shall be electronically created pdf files that are text searchable, unlocked, and unencrypted. (Note: To ensure that pdf files are unlocked and text-searchable, do not scan a physical copy of the audit report and do not change the default security settings in your pdf creator.)
- G. *Access to Subrecipient Records:* The auditee must provide the auditor with access to personnel, accounts, books, records, supporting documentation, and other information as needed for the auditor to perform the required audit. The auditee shall permit appropriate representatives of DHS to have access to the auditee's records and financial statements as necessary to review the auditee's compliance with federal and state requirements for the use of the funding. Having an independent audit does not limit the authority of DHS to conduct or arrange for other audits or review of federal or state programs. DHS shall use information from the audit to conduct their own reviews without duplication of the independent auditor's work.

- H. *Access to Auditor's Work Papers*: The auditor shall make audit work papers available upon request to the auditee, DHS or their designee as part of performing a quality review, resolving audit findings, or carrying out oversight responsibilities. Access to working papers includes the right to obtain copies of working papers.
- I. *Failure to Comply with the Audit Requirements*: DHS may impose sanctions when needed to ensure that auditees have complied with the requirements to provide DHS with an audit that meets the applicable standards and to administer state and federal programs in accordance with the applicable requirements. Examples of situations when sanctions may be warranted include:
 - 1. The auditee did not have an audit.
 - 2. The auditee did not send the audit to DHS or another granting agency within the original or extended audit deadline.
 - 3. The auditor did not perform the audit in accordance with applicable standards, including the standards described in the SSAG.
 - 4. The audit reporting package is not complete; for example, the reporting package is missing the corrective action plan or other required elements.
 - 5. The auditee does not cooperate with DHS or another granting agency's audit resolution efforts; for example, the auditee does not take corrective action or does not repay disallowed costs to the granting agency.
- J. *Sanctions*: DHS will choose sanctions that suit the particular circumstances and also promote compliance and/or corrective action. Possible sanctions may include:
 - 1. Requiring modified monitoring and/or reporting provisions;
 - 2. Delaying payments, withholding a percentage of payments, withholding or disallowing overhead costs, or suspending the award until the auditee is in compliance;
 - 3. Disallowing the cost of audits that do not meet these standards;
 - 4. Conducting an audit or arranging for an independent audit of the auditee and charging the cost of completing the audit to the auditee;
 - 5. Charging the auditee for all loss of federal or state aid or for penalties assessed to DHS because the auditee did not comply with audit requirements;
 - 6. Assessing financial sanctions or penalties;
 - 7. Discontinuing contracting with the auditee; and/or
 - 8. Taking other action that DHS determines is necessary to protect federal or state pass-through funding.
- K. *Closeout Audits*: An agreement specific audit of an accounting period of less than 12 months is required when an agreement is terminated for cause, when the auditee ceases operations or changes its accounting period (fiscal year). The purpose of the audit is to close-out the short accounting period. The required close-out agreement specific audit may be waived by DHS upon written request from the subrecipient/contractor, except when the agreement is terminated for cause. The required close-out audit may not be waived when an agreement is terminated for cause.

The auditee shall ensure that its auditor contacts DHS prior to beginning the audit. DHS, or its representative, shall have the opportunity to review the planned audit program, request additional compliance or internal control testing and attend any conference between the auditee and the auditor. Payment of increased audit costs, as a result of the additional testing requested by DHS, is the responsibility of the auditee.

DHS may require a close-out audit that meets the audit requirements specified in 2 C.F.R. Part 200 Subpart F. In addition, DHS may require that the auditor annualize revenues and expenditures for the purposes of applying 2 C.F.R. Part 200 Subpart F and determining major federal financial assistance programs. This information shall be disclosed in a note within the schedule of federal awards. All other provisions in 2 C.F.R. Part 200 Subpart F-Audit Requirements apply to close-out audits unless in conflict with the specific close-out audit requirements.

20. CONTRACT REVISIONS AND/OR TERMINATION

 - 1. Increased or decreased volume of services.
 - 2. Changes required by state and federal law or regulations or court action.
 - 3. Increase or reduction in the monies available affecting the substance of this Agreement.
- B. Failure to agree to a renegotiated Agreement under these circumstances is cause for DHS to terminate this Agreement.
- C. Non-Appropriation
DHS reserves the right to cancel this Agreement in whole or in part without penalty if the Legislature fails to appropriate funds necessary to complete the Agreement.
- D. Termination for Cause
DHS may terminate this Agreement after providing the Grantee with thirty (30) calendar days written notice of the Grantee's right to cure a failure of the Grantee to perform under the terms of this Agreement, if the Grantee fails to so cure or commence to cure.

During this notification period, the Grantee will continue providing services in accordance with the Agreement requirements.

In the event of termination for convenience, the Grantee shall be entitled to receive compensation for any fees owed under the Agreement. The Grantee shall also be compensated for partially completed services. In this event, compensation for such partially completed services shall be no more than the percentage of completion of the services requested, at the sole discretion of DHS, multiplied by the corresponding payment for completion of such services as set forth in the Agreement. Alternatively, at the sole discretion of DHS, the Grantee may be compensated for the actual service hours provided. DHS shall be entitled to a refund for goods or services paid for but not received or implemented, such refund to be paid within thirty (30) days of written notice to the Grantee requesting the refund.

The Grantee shall provide written notice to DHS of all instances of noncompliance with the terms of this Agreement by the Grantee or any of its Subgrantees or Subcontractors, including noncompliance with allowable cost provisions. Notice shall be given as soon as practicable but in no case later than 30 days after the Grantee became aware of the noncompliance. If DHS determines that noncompliance with this Agreement has occurred or continues to occur, it shall demand immediate correction of continuing noncompliance and seek remedial measures it deems necessary to protect the interests of the State up to and including termination of the Agreement, the imposing of additional reporting requirements and monitoring of Subgrantee or Subcontractors, and any other measures it deems appropriate and necessary.

Any void provision shall be deemed severed from this Agreement, and the balance of this Agreement shall be construed and enforced as if it did not contain the particular portion or provision held to be void. The parties further agree to amend this Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.
