MEMORANDUM

To: Board of Public Works
From: Bernard Lenz, Utilities Manager
Date: 5-1-2020
Subject: Brick and Sandbag Sales Policy Memo Update

The reconstruction of several brick streets in 2020 and coming years, plus the need to get bricks out of the way of the coming WWTP improvements has us looking at the policy on the sale of these bricks to the public. This policy also covers sandbags.

The policy has not been updated for over 15 years and needed several updates. The board is being asked to approve the revise, updated policy attached. A redline version of the changes made to the old policy is attached to aid in your review.

Please note storage of the bricks is being moved to the MSC.

Thank You.
