I officially state that the existing sign located at Buzzard Billy's does not have to be reviewed by the Heritage Preservation Commission as its design and placement is grandfathered in. Should it be altered or changed in any way this determination may change.

Please let me know if you have any questions.

Subject: Buzzard Billy's Signs

Tim,

Yes I probably should get it in writing that the Buzzard Billy's Signs would be Grandfathered into acceptance according to the Historic Preservation Committee.

The new Street Privilege Permit request will need to go to the BPW and they may ask about it. Also, their request for tables and chairs or dining area in the right of way - would that need to go to this committee?
Thanks
