I realize that tonight bill #24-0510 is on the agenda at tonight's meeting.

This proposal of banning the use of tents by our homeless here in La Crosse presents a huge dilemma for those who are homeless as well as the residents of La Crosse. Surely the needs of the homeless are real and critical. I trust you as counselors to be creative enough to find a solution to ASSIST the homeless, not increase their plight .Honor them as our brothers and sisters.

Thank you for hearing my concern.
